Public Works Department.

Sir,

I am directed to request the sanction of the Government of India to the appointment of Mr. A. L. Pogson to the Madras Harbour Works, as Assistant Superintendent, in place of Mr. N. St.B. Beardmore, deceased.

2. Mr. Pogson is at present a temporary Assistant Engineer in the Public Works Department on a salary of Rs. 300 per mensem; and it is proposed to give him a salary of Rs. 550, in accordance with the recommendation of the Superintendent of the Works.

3. The nomination of Mr. Pogson has been made at the instance of Mr. Parkes, who has suggested his appointment subject to the approval of the Secretary of State for India.

4. The late Mr. Beardmore drew a salary of Rs. 700 per mensem, *plus* a permanent conveyance allowance of Rs. 50 per mensem; but, in accordance with letter from the Government of India, in the department of Finance and Commerce, No. 2158, dated 20th July 1883, it is not proposed to pass a separate conveyance allowance to Mr. Pogson.

I have the honor to be,
Sir,
Your most obedient servant,

To D.W.

Mr. Pogson's services can be made available as soon as he finishes the Calingarayen estimates. which S. E. IV says will be by end of June. 1408/4

I understand ~~that this~~ will suit Mr. Thorowgood.

18.5.85

I have alluded to this in D.O. note of this date.

To W.

Hitherto it has been usual to address the Secy. of State direct on matters relating to salaries of the more highly paid members of the Harbour Works Staff, but as all the correspondence relative to the restoration of the Harbour Works, & the future classification of outlay, has been sent through the Govt of India, it would be well perhaps to address that Govt on the subject of a successor to Mr Beardmore. The recent correspondence relative to proposed increase to Mr Merewood's pay, was addressed to Govt. of India.

I would suggest for approval the following addition to the draft letter —

3 – "The nomination of Mr Pogson has been

"made at the instance
"of Mr Parker, who has
"suggested his appointment
"subject to the approval
"of the Secy of State for
"India.

"The late Mr Beardmore
"drew a salary of Rs 700
"per mensem, plus a
"permanent conveyance
"allowance of Rs 50 per
"mensem, but in accor-
"dance with letter from
"the Govt of India in the Dept
"of Finance & Commerce, No
"2158 d/ 20 July 1883, it is
"not proposed to pass a
"separate conveyance allow-
"to Mr Pogson."

In para. 2 of the draft letter, it would be well perhaps to omit the words "inclusive of all allowances". Mr Pogson will probably have to visit the quarries & otherwise have to travel on duty more than five miles from the works; and it is not intended to ~~[illegible]~~ debar him from drawing ordinary travelling allow admissible. – C.

In the case of Mr Pogson's previous appointment the sanction of S. of S. was applied for direct by this Govt, and Mr Parker's telegram "Try Pogson subject home approval wire result" would imply that he may be appointed by H.E. the Govr in Council & letter addressed to S. of S. for confirmation.

A salary of Rs 500 had better be given – inclusive of all allowances.

Letter to be drafted accordingly for H.E.'s consideration.

FROM

THE SUPERINTENDENT,
MADRAS HARBOUR WORKS,

TO The Hon: Colonel J. H. M. Shaw-Stewart, R.E.
Secretary to Government,
Public Works Department,

MADRAS, 12th May 1883.

Sir,

It is with much regret that I have to report that since April 27th Mr. N. St. B. Beardmore, Assistant Superintendent of these works, has been laid up with severe fever.—

2. He has not been well for the last six months and has suffered much from exposure to the sun, but having undergone a medical examination in February last at Mr. Parkes's suggestion, Mr. Beardmore appeared well enough to work as usual, and he consequently worked with me at the recent marine survey of the Harbour and Roadstead.— Whether the unavoidable exposure to the sun during these operations proved injurious I am not in a position to say, but for the

the last two weeks he has been most seriously ill, and I learn from Surgeon Major S. B. Hunt that he will not be fit to resume his duties, but when sufficiently recovered he will have to proceed to England. I cannot at present say whether a period of absence can be fixed upon, but Dr. Hunt assures me that a journey home is essential.—

3. I have telegraphed this state of affairs to Mr. Parkes who replied this morning as follows "Try Pogson subject home approval, wire result."—

4. I therefore have the honour to ask if it would be possible to secure the services of Mr. A. L. Pogson who acted in a similar capacity in 1882-83- and I would respectfully suggest that his pay might be fixed at the original rate for this appointment, viz. Rs 500 a month and Rs 50 permanent carriage allowance.—

5. In the meantime I have no doubt that with my present staff I can manage to keep everything going properly

until

until the Titan Cranes arrive which cannot be for nearly 2 months.— 1407 8/10

I have the honour to be,

Sir,

Your most obedient Servt

F. W. Thorowgood.
