ACCOUNT.
General

To the Secretary
to the Government of Madras,
Public Works Department.
Dindigul, ^{June} 1st May, 1885.

Sir,

I am directed to acknowledge the receipt with your No. 1020 M.W. dated 29th ultimo, of the final issue of the Imperial Civil Buildings, Roads and Services, Budget Estimate for 1885/86, and to point out that the sum of Rs 18,500 passed under the head Establishment by the Government of India in its orders on the Budget should have been exhibited in the final issue instead of the reduced figure of Rs 18,400.

2.

Original works	{	In progress.	as shown in Budget	as now corrected	} of the orders on the Budget, the marginally noted corrections in the details of the figures entered under original works for 1885/86 have been necessitated
			not commenced.	45,800. 26,400.	

Notes stated in consequence of the withdrawal of Rs 8500/- on account of the Colicut Post office having been made from the grant for "works in progress" instead of from that for "works not commenced". The necessary corrections have been made by this Office in the final issue to effect an agreement between its figures and those in the Budget orders -

3 I am to request that the budget head "Civil Buildings, Roads and Services" may be adopted in future instead of "other services" which is now obsolete. -
