GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following office note from the Examiner, Public Works Accounts, dated Madras, 5th June 1885, No. 170 :—

Under the circumstances referred to in the enclosed copy of letter, No. 25, dated 7th April 1885, from the Executive Engineer, Presidency division, to the Executive Engineer, Nilgiri division, would it not be advisable that the whole grant of Rs. 5,000 should be placed at the disposal of the Executive Engineer, Presidency division, and the estimate for furniture charges of all three Government houses treated as one?

2. Under the present system arbitrary amounts are adjusted in transfer (without vouchers) to Nilgiri and Chingleput divisions, which only results in needless accounting.

3. I would also ask whether these charges, being on account of the maintenance of Government house furniture (whether by repairs or renewals) in proper condition, would not more legitimately be classed as "Repairs," as defined in Code paragraph 1066, than as "Original Works."
