Read the following papers :—

No. 114. From J. W. RUNDALL, Esq., Acting Superintending Engineer, Fifth Circle, to the Chief Engineer and Secretary to Government, Public Works Department, dated Trichinopoly, 14th May 1879, No. 171-T. N.

I HAVE the honor to forward for sanction and allotment of funds plan and estimate, the latter amounting to Rupees 4,300, for adding subsidiary jail and out-houses for the Taluk Cutcherry at Sankaranainarkoil in the Satur Division, Tinnevelly District.

2. The Collector in returning the estimate countersigned states that he considers a latrine to be superfluous, as no "scavenger can be allowed." If this is the case the cost of the latrine may be omitted.

No. 114-A. From Lieutenant-Colonel T. E. TENNANT, Inspector-General of Jails, to the Secretary to Government, Public Works Department, dated Ootacamund, 30th June 1879, No. 146.

In returning the papers received with your memorandum, No. 2,114, dated 5th June 1879, I have the honor to state that I have consulted with the District Magistrate of Tinnevelly and agree in opinion with Mr. Pennington that the latrine is not required at present.

2. The District Magistrate proposes that the present arrangement of taking the prisoners outside the jail compound to answer calls of nature should continue. This course involves little risk, the prisoners being short-sentenced and persons under trial, and moreover it seems scarcely worth while to employ a scavenger on Rupees 7 a month for the few prisoners generally confined in the sub-jails.

No. 115. ORDER THEREON, 19th July 1879, No. 1,907 W.

DEDUCTING the cost of the latrine which the Inspector-General of Jails and the Collector agree in considering unnecessary, the estimate submitted by the Superintending Engineer amounts to Rs. 3,900, and is sanctioned for execution when funds are available.

2. This sanction has been registered as Provincial No. 24 B of 1879-80.
