NOTE OF REMARKS.

1. With reference to G.O. No. 1438 of the 9th June/84, the accompanying plans and estimate provide for additional accommodation to the Lunatic Asylum at Madras. The amount of the estimate is Rs. 9,630. The sum is thus divided:—
A cottage for 12 lunatics - Rs. 4,210;
A block of six rooms for native criminal lunatics - Rs. 5,420.
2. The cottage is a single room 40 ft. x 18 ft., with a verandah 6 ft. wide, running its length, on either side. The verandahs are open, and in one a closet 5 ft. x 4 ft., has been provided. The masonry is brick in mortar. The roof which is gabled with gable ends, is of flat and from tiles on teak.

rafters and rafters supported
on three long posts. The
common rafters are
and support the tiles
of the verandah. The roofing
extends 3 ft beyond each
gable end. - The scantling
of the wooden posts of the
verandah, of the bracing
and of all the roof timbers
are correct. The flooring
consists of a bed of concrete,
4 inches thick, over-coated
with 1 inch of asphalt. -

It is possible an increase
in the height of walls and
posts would be an improve-
ment.

3. The block for criminal
lunatics consists of six
rooms in a line, with an
open verandah, 8 ft wide,
running in front. Each
room measures 10 ft x 13 ft. -
The masonry is brick - in -
mortar. The flooring is
similar to that of the
cottage. The roof over the
rooms, 13 ft span, is pent

with gable ends. It is of flat
and plain tiles on teak rafters
and rafters. Roof ventilation
has been provided. The roofing
over the verandah is quite
different from that over the
rooms being altogether on a
lower level. - The materials
however are similar. The
scantlings of all timbers
are correct.

4. The Surgeon General
has submitted the esti-
-mate for "favorable con-
-sideration" - but, probably
by an oversight, he has
omitted to countersign it.
The plans and estimate
are approved in the Public
Department. - It is stated
that the buildings are
"urgently required." -
The Supdt of the Reglrm
has endorsed his approval
on the General Abstract.
