To

THE CHIEF COMMISSIONER OF ASSAM.

SIR,

Simla, the 4th May 1885.

I AM directed to acknowledge the receipt of your letter No. 4813, dated the 2nd August 1884, recommending the substitution for Section 11 (13 in the 2nd Edition) of the Civil Travelling Allowance Code of a rule providing that no travelling allowance shall be drawn by an officer for any period of his journey during which he may have been conveyed on a Government steamer, or by any other means of locomotion provided at the expense of Government.

2. Before passing orders on the proposal, the Governor General in Council deemed it expedient to consult the several Local Governments and Administrations. Their opinions have now been received, and, after giving them careful consideration, His Excellency in Council has decided that no change in the rules is required. By the rule under Section 13, it is left to the discretion of the Local Government either to apply that section or to charge a fixed sum for any means of locomotion provided at the expense of the State. If in any case a local Government thinks that the travelling allowance admissible under Section 13 is more than adequate, it can apply the rule under Section 13, and regulate the charge to be deducted from the travelling allowance earned in such a way, that the balance left may be just sufficient to cover the expenses, if any, incurred by the officer.

I have the honour to be,

SIR,

Your most obedient servant,

J. F. FINLAY,

Offg. Under-Secy. to the Govt. of India.

Copy forwarded to the Comptroller, Assam.

Copy also forwarded to the other Local Governments and Administrations, in continuation of letter No. 3263, dated the 6th September 1884, and to the Comptroller General and other Comptrollers and Accountants General.
