From S. H. WYNNE, Esq., Acting Collector of Tinnevely, to the Secretary to the

I have the honor to forward, herewith, the estimate and plan, &c., for the construction of a subsidiary jail to the taluk cutcherry and second-class police station-house at Otapidaram, sanctioned in G.O., No. 1986, dated 13th July 1875, and No. 435 W., dated 26th February 1880, and to request that you will be good enough to submit the same for the sanction of Government.

MEMORANDUM.

The plans and estimates received with the foregoing papers are for two distinct buildings—a sub-jail and a police station at Otapidaram, in the Tinnevely district. The plan and estimate have been approved by the Collector and the Government in the Revenue Department, but the proposals for constructing a police station have not been submitted through the Superintendent of Police, the Inspector-General of Police, and the Government in the Judicial Department.

2. The Superintending Engineer is therefore requested to submit distinct plans and estimates for the two buildings. Those for the sub-jail should be transmitted direct to this office, but those for the police station should be forwarded to the Superintendent of Police, for submission through the proper channel.

10th December 1886.

To the Superintending Engineer, VI Circle, with eleven enclosures.

(Signed) J. O. HASTED, Colonel, R.E.,
Chief Engineer, P.W.D.

From Major A. C. SMITH, R.E., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 21st December 1886, No. 398 T.N.

With reference to your memorandum, No. 4402 C., dated 10th instant, I have the honor to forward, for your approval and sanction, the estimate, amounting to Rs. 6,510, with site plan, &c., for constructing a sub-jail at Otapidáram, in Tinnevely district.

2. The estimate for the construction of the police station at Otapidáram is forwarded to the Superintendent of Police as directed in the memorandum under reference.

From Major A. C. SMITH, R.E., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 17th January 1887, No. 437 T.N.

With reference to your No. 76 C., dated 10th January 1887, I have the honor to state that, in constructing the sub-jail at Otapidáram, the bricks, tiles, wood, nails, &c., are to be taken from Tinnevely by rail to Tattaparai, a distance of $27\frac{1}{4}$ miles, and from thence to Otapidáram by carts, a distance of 6 miles—lime within a circle of two miles and sand within a circle of half-a-mile. Hence the cause of high rates allowed in the estimate for brick-in-mortar and clay.

ORDER—dated 21st January 1887, No. 177 W., Public Works.

The estimate, amounting to Rs. 6,510, for constructing a sub-jail at Otapidáram, in the Tinnevely district, is sanctioned for execution when funds are available.

2. This sanction has been registered as Provincial, No. 165 W. of 1886-87, and classified as Civil Buildings, Original Works.
