Sir,

I have the honor to request the sanction of Government under para 996 of the Code for the renting of a house at Buddalore for the office of the Executive Engineer Lower Coleroon Irrigation Project Division at Rs 40 a month.

It has been decided that Buddalore should be the Head Quarters of the Division; to date the Executive Engineer has taken his whole office about with him in camp; this perhaps was advisable when the work was first started but it is not so now and it is better that the Draughtsmen and office should carry on their

duties at a Head Quarters and
therefore it is necessary that
accommodation should be pro-
vided for them.

House rent is now high at
Buddalore and proper accommo-
-dation cannot be procured at a
less rent than the Rs 40 asked for.

I enclose a plan of the house
and letter from the Landlord,
and have, in anticipation of some-
-thing, directed the Executive Engi-
-neer to take the house on monthly.

I have the honor to be
