No. 38 Public (Records), dated India Office, London, the 9th April 1885.

From—Her Majesty's SECRETARY OF STATE for India.

To—His Excellency the Right Honourable the GOVERNOR GENERAL of India in Council.

I observe from your Proceedings in the Home Department (Books and Publications) for September 1884, that you have given instructions to the several Local Governments to send home "two copies of all periodicals and special administrative and scientific reports issued by them," for presentation to the Northbrook Indian Club and to the Smithsonian Institution.

2. In this order reference is made to my Despatch, Public (Records) No. 42, dated 24th July 1884, but I must draw Your Excellency's attention to the fact that it goes far beyond the instructions contained therein, which were to the effect that a selection should be made of such reports "as it might be deemed desirable to send to those Institutions," and not that copies of all Reports of a certain character should be sent home.

3. Acting upon your orders, the Bombay Government have recently transmitted to this Office copies of their Reports on the state of crime and working of the Police in that Presidency for the year 1883.

4. I question, however, whether purely Departmental Administrative Reports, which are usually of only passing interest, would be much appreciated by those Institutions. These gifts should, therefore, be limited to such Reports as are of more general and permanent interest.

No. 38

Copy forwarded to the

in continuation of this Office with the request that in future only the General Administration Reports and also such Reports, other than purely Departmental Reports, containing matter of permanent interest as may from time to time be issued need be sent to the India Office for the use of the Smithsonian Institution and Northbrook Indian Club of the
