Death of European Uncovenanted Officers to

Read the following despatch from the Secretary
ment of India, dated 28th April 1870, No. 18.

INQUIRY having been made to this department by Mr. Grahame, (the father
of William Luke Grahame, engaged as a Forester, and serving in the Central Pro-
vinces), about his son, it was only by an accidental mention
of his death on the Routine List of Forest Prident, through an incidental mention
last, that information of the fact could be given to him.

2. Similar cases frequently occur in regard to persons who have gone out
from this country, and entered the Uncovenanted Service of the Crown in the
Revenue and Forest Departments.

3. I desire therefore that the death of every person so employed in the
Revenue and Forests, as well as in all other departments, being a European,
and not belonging to one of the Covenanted Services, be immediately reported to
the Government or Administration under which he is serving; and that that
Government and Administration be instructed to announce the circumstance with-
out delay to this Office, in order that persons inquiring after their relations may
receive officially the earliest correct information in regard to them.
