Has there been no order
on this subject of more
recent date than 28.3.83.

The Famine Code was
issued at the end of 1883,
& since then the subject of
famine tools has been
noticed more than once.

It however the G.O.
of March 83 is to be
acted on, should not
Mr. E.E. be instructed
to sell unserviceable
tools, as provided in
para 1 of that order.

18.6.83

W
Later Pros. are submitted,
but the order of March 1883
is still in force as regards
custody of famine tools.

A para has been added
to the order, relative to
disposing of unserviceable
tools.

the Engineer-in-chief Madras State
Railway Surveys No 695 dated 10th June 1885
I have the honor to enquire what
is

is to be done with the tools used on the line.

A large portion of them were famine tools received gratis from the District authorities, but others have been purchased and taken over from Mr Lambert.

I have no godown available and the cost of carrying them about is considerable. Ru 22/6/85.
