GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following papers :—

G.O., dated 16th May 1885, No. 453 I., Public Works.
G.O., dated 29th May 1885, No. 1253 W., Public Works.

From the Right Reverend the Bishop of Madras, to the Chief Secretary to Government, dated Ootacamund, 30th May 1885, No. 342.

With reference to G.O., 13th May 1885, No. 83, Ecclesiastical department, I have the honor to state that I have communicated to all the clergy in charge of Government churches and cemeteries and to all Collectors the wish of Government that expenditure on repairs be confined to what is absolutely necessary, and have inquired of each whether half of the sanctioned budget allotment is likely to be sufficient for such works ; and that from the replies hitherto received I conclude that the sum of Rs. 7,000 may be withdrawn from the grant of Rs. 15,000 sanctioned in G.O., No. 2231, of 20th September 1884, Financial.

G.O., dated 1st June 1885, No. 639, Revenue.
Memorandum dated 3rd June 1885, No. 186 E., Public Works.

From D. LOGAN, Esq., Acting Agent, South Indian Railway, to the Consulting Engineer for Railways, Madras, dated Trichinopoly, 30th May 1885, No. 470.

Referring to your letter, No. 364 A, of the 26th instant, received to-day, I consider that items numbered 4, 7, 15, and 18 may be postponed for a time without loss of revenue to the company, but I think that so much of estimate No. 9 should be retained as to allow a passing through siding for trains at New Town, Cuddalore. This siding will, I believe, bring in additional revenue to the company, besides adding greatly to the public convenience in enabling the local trains to and from the south which now start from and terminate their runs at Old Town, to start from and stop at Cuddalore New Town station. The cash expenditure to meet this will not exceed Rs. 1,457 cash, and Rs. 3,595 for stores. Might not item No. 2, alteration at Nidamangalam, be postponed until better times ?

No. 177 A.

Endorsement on the above.

Submitted to Government with reference to paragraph 3 of G.O., Financial, No. 845, dated 9th May 1885.

2. Removing and relaying permanent-way, extending platform 200 feet, moving water column to the westward, and providing two ash-pits at Nidamangalam	RS.	4,022	2. The Agent concurs with the undersigned in thinking that the works noted marginally, for which provision was made in the budget estimate, schedule B, Construction Works, part II, may be for the present postponed.
