OFFICE NOTE No. 71.

To

W.

860 D of 6th May/84

with reference to G.O. No.

977 W. of 15th. Ultimo please say whether the church at Trivandrum is a Government one in the sense of Code para 1267, as if not, the grant given for the renewal of the lighting apparatus does not appear to be correct.

2. If the church is a Government one or has been taken over by Government, it is thought that the rules laid down in Code para 1255, etc. seq. regarding the building of churches, should be followed also in this case instead of the Government grant being made over to the Church Committee.

2. The Church at Trivandrum should be brought without delay on the register of churches maintained by the P. W. Department.

to make the grant subject to
the procedure prescribed in
para 1255 et seq of the P. W.
