PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following

letter from the Master Attendant, Madras, dated 18th June 1885, No. 5085.

I have the honor to inform you that the Port Officer, Cochin, reports that an erosion of the beach has taken place at the Cuny Vilagre gap, leaving a space of only 100 feet between the sea and the lagoon, and that at high tide, the sea washes over this strip of sand, into the lagoon, also that the revetment in some places has sunk. He has communicated the above to the Executive Engineer, Malabar, and requested him to depute an officer to visit the place in view to protective measures being adopted. The encroachment is owing to the force of the monsoon [illegible] well that [illegible]
