Mr. Thompson asks that passage money home be granted to the widow of the late Mr. Beardsmore, who would, had he lived, been entitled to a first-class passage home for himself at this time.

There is no rule under which the grant can be made, but I venture to recommend that the application be forwarded to Govt of India with your support.

FROM

THE SUPERINTENDENT,

MADRAS HARBOUR WORKS,

TO

The Secretary to Government,
Public Works Department.

Fort Saint George.

MADRAS, 3^d June 1885.

Sir,

+
Goncho do by
with file re
Am. Bogoon's
appointment.

In continuation of my letter N^o 9 W of
May 12th stating that Mr. Beardmore was ordered
to England, it is now my most painful duty
to report his death on the morning of June 2^d.
He had been in a most critical state for 3 days
and eventually succumbed to exhaustion, the
disease being typhoid fever.

2. His loss is most deeply felt by myself
and by the whole staff, both personally, and
also in reference to the interest of the Work.

3. Mr. Beardmore came out in November
1875 on a agreement to serve three years. The
period was extended in 1878 and his salary
increased from Rs 500 to Rs 700 a month. He
went home sick in May 1880 returning
in December of that year. He has always
felt the heat of the plains very much and
suffered much from fever.

By the terms of his appointment
is entitled to the payment of his
passage home, but this he
not yet claimed, though he would
claim it had he lived. He
stayed out here much longer than
was anticipated and he necessary
there is no doubt latterly the
work affected his health. Considering
zealously he has worked and how
he has suffered in consequence
of his work I venture to ask, with
respect and deference, whether the
same money which he has for-
feited by his death may not as a
special favour be granted to his most
fortunate widow, who wishes to sail
for England as soon as her affairs are
settled as to enable her to do this.

I have the honour to be,
Sir,

Your most Obedient Servant

A. H. Mowbray
