GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Read—the following papers —

From Major A. C. SMITH, R.E., Executive Engineer, Nilgiri division, to the
Superintending Engineer, IV Circle, dated Ootacamund, 16th May 1885,
No. 447.

With reference to code paragraph 1590, I have the honor to request that the
sanction of Government may be obtained
to the works as per margin being carried
out by the chaplains concerned.

Repairs to the cemetery at Wellington,	rs.	
Register No. 9 of 1885-86	187	
Lighting St. Stephen's church at Oota-		
camund, G.O., No. 19 E., dated 21st		
April 1885	200	

2. I should have scarcely thought it
necessary to trouble Government in the
matter, as ordinarily such works would
be provided for in the civil budget and be carried out without the intervention of this
department, but for the exception made in paragraph 5 of G.O., No. 2834 W., of 27th
October 1882, to such works in the Madras and Nilgiri districts being carried out
through the agency of the Public Works Department. As the exception was apparently
based on the disadvantages attending the execution of such works by civil officers in
the excepted districts, it is thought that when those disadvantages do not exist, and
when the local Public Works and Civil authorities are in accord as to their execution
by civil agency, then there could be no possible objection to the latter course.

3. Under these circumstances I would solicit that general sanction be accorded
to this being done for the future wherever it can be conveniently arranged between
the departments concerned, so that it will not be necessary to trouble Government in
each particular case.

No. 211 E.W.

Submitted to the Chief Engineer, Public Works Department, who is requested to
be good enough to obtain the sanction of Government to the course recommended by
the Executive Engineer.

22nd May 1885.

(Signed) J. BEATTY, Colonel, R.E.,
Superintending Engineer, IV Circle.

No. 189 E., Public Works.

Referred to the Public Department, for favor of opinion whether there is any
objection to the adoption of the course proposed by the Executive Engineer with respect
to petty civil works generally on the Nilgiris.

OOTACAMUND,
3rd June 1885.

(Signed) J. SHAW-STEWART, Col. R.E.,
Secretary to Government.

From the Public Department, dated 11th June 1885, No. 1109.

There is no objection to the adoption of the proposed course as regards petty civil works generally in the Nilgiri district.

Ootacamund,
11th June 1885.

(Signed) E. F. WEBSTER,
Chief Secretary.

From the Public Department, dated 25th June 1885, No. 1134.

ORDER—dated 4th July 1885, No. 1561 W., Public Works.

The foregoing proceedings, in the Public Department, will be communicated to the Superintending Engineer, IV Circle, with advertence to his endorsement, No. 211 E.W., dated 22nd May 1885.

2. The proposals in paragraphs 2 and 3 of the Executive Engineer's letter, No. 447, dated 16th May 1885, may be adopted as regards petty civil works generally in the Nilgiri district.

Sir,
With reference to Code para
1590, I have the honor to request that
the sanction of Government may be ob-
tained for the same, per margin being

Repairs to the Cemetery at Killingley.	Carried out by

I should
have scarcely thought it necessary to
trouble Government in the matter, as ordi-
narily such work would be provided for
in the first Budget and be carried out with-
out the intervention of this Department,
but for the exception made in para 5 of G.O. No.

24th May 1857. October 1857, to such works
in the Madras and Nilgiri Districts being
carried out through the Agency of the
Office. As the exception was apparently
based on the disadvantages attending the
execution of such works by Civil Officers
in the excepted Districts, it is thought that
when those disadvantages do not exist
and when the local Public works and
Civil authorities are in accord as to their
execution by Civil Agency, then there could
be no possible objection to the latter course.
Under these circumstances,
I would solicit that general sanction be
accorded to this being done for the future,
