2. The revised estimate for 1883-84 of the late Tanjore circle, as submitted by the Board of Revenue, is approved, as is also the transfer of the Surplus Pound fund receipts to the General fund.

3. Budget estimate for 1884-85 of the newly-formed Tanjore circle.—The Board's proceedings prohibiting the leasing out of fisheries in the Tanjore district having been cancelled, the Government consider that the receipts from fish rents in the budgets submitted by the Board may be raised from Rs. 8,500 to Rs. 15,000, which is Rs. 4,469 below the actuals of 1882-83. This amount, together with the receipts from Pound fund, will be credited to the General fund. The contribution of Rs. 1,160 from the late Negapatam circle on behalf of the Tanjore Midwifery School and the Prince of Wales' Medical School will be eliminated from both sides of the account. Of the promised subscriptions (Rs. 6,500) referred to in paragraph 23 of the President's letter, dated 6th November 1883, No. 265, Rs. 2,000 should appear under 6, "Endowments." Under Charges, Grant I, Rs. 1,66,900 and Rs. 10,080 respectively are provided for new roads and buildings. Fourteen of the roads and three of the buildings appear to be unsanctioned works. Of these again, ten are nevertheless in progress.

Attention is directed to G.O., 26th October 1883, No. 2467. The grant for the maintenance of roads will be raised by Rs. 320 with reference to G.O., 1049 W., dated 25th April 1884. Remarks will be invited from the Public Works department as to the proposed transfer of roads running along tank-bunds to the Local Fund Engineer. The Road fund reserve should be Rs. 21,370, and the share of the cost of the Local Fund engineering establishment, tools and plant, contingencies, and general management debitable to the Road fund, Rs. 35,750, Rs. 4,550, Rs. 360, and Rs. 9,510 respectively. The Road fund balance will then be Rs. 1,37,910, of which Rs. 96,380 belong to the Railway Guarantee fund.

4. Sanction is accorded to the entertainment of a mathematical teacher in the Sanskrit college at Tiruvadi. The General fund being expected, after providing for the full amount of the reserve, Rs. 12,250, to close with a balance of Rs. 1,900, Rs. 1,100 of this amount will be transferred to grant II, results grants. The Director's suggestion to convert the existing combined system schools in the late Tanjore circle into purely Local Fund schools should receive the consideration of the Circle Board. The Circle Board, which has a medical school of its own, will be relieved of the contribution for the Medical College as recommended by the Surgeon-General. As to the reason of the present unsatisfactory condition of the midwifery school, explanation should be furnished. The Endowment and General funds will close with balances of Rupees 41,580 and Rs. 800 respectively.
