MILITARY DEPARTMENT:

July 1885, No.

Cantonments.

Read the following papers:—

No. . . . From Colonel C. CARTER, Controller of Military Accounts, to Lieut.-Colonel A. KENNEY-HERBERT, Officiating Secretary to Government, Military Department; dated Fort St. George, 20th May 1885, A.

In returning the papers * referred under your docket, No. 981, of 23rd February 1885, I have the honor to state that O.G., Financial Department, No. 478, of 12th idem, decides that the Municipality of Vellore should be paid annually Rs. 1,717-4-0 for conserving and lighting the fort and cantonment and Rs. 122-8-0 on account of regimental lines, the necessary adjustment being effected by the Military Department.

2. From para. 1 of O.G., Financial Department, No. 2442, of 17th October 1884, it would appear that the Municipality is entitled to the above annual payment of Rs. 1,839-12-0 from 1883. Three years' payments, Rs. 5,512-4-0, are thus due, for which no provision has been made in the current year's estimate. Should Government, however, direct payment of the full amount in the current year, the charge might be met from the sum of Rs. 29,139 included for unforeseen charges in the item "Contingencies" under Grant 14.

3. As the payments for conservancy now authorized to be made to Municipalities represent compensation for loss of revenue consequent on the remission of taxes hitherto paid by the Public Works Department, which has thus been relieved of the charges for such taxes, that department was asked to accept the debit of the conservancy allowances now falling to be paid by the Military. The Examiner, Public Works Accounts, states, however

† *Vide* his No. 17-M. of 16th May 1885. (in reply † to a reference from this office), that he is authorized to inform me that the Public Works Department is not prepared to accept the charges referred to. It is accordingly for Government in the Military Department to determine whether the charges should be accepted by this department.

4. I would add that the decision on the present reference will apply equally to the cantonments of Cannanore, Trichinopoly, Berhampore, Mangalore and Vizianagrum (*vide* para. 2 of O.G., Financial Department, No. 2442, of 17th October 1884) as well as to other cantonments in India.

From Colonel C. CARTER, Controller of Military Accounts, to the Examiner of Public Works Accounts; dated Fort St. George, 22nd April 1885, No. 236.

I have the honor to forward letter * from the Accountant-General showing the amount of taxes hitherto paid in the Civil Department on military buildings in the cantonments of Bellary, Cannanore, Trichinopoly, Vellore, Berhampore, Mangalore and Vizagapatam, and for the loss † of which revenue Municipalities are now being compensated by payments made in the Military Department for the conservancy of the military lines in those cantonments.

2. As the Public Works (Military Works) budget grant is thus relieved of the payment of the taxes hitherto paid in the cantonments specified in the preceding paragraph, it is inquired whether the Public Works Department is prepared to accept the debit of the charges paid as compensation by the Military Department for the conservancy of the military lines in the cantonments referred to, and which charges have solely arisen by the remission of the taxes previously paid.

From D. C. GORDON, Esq., Examiner of Public Works Accounts, to the Controller of Military Accounts; dated Madras, 16th May 1885, No. 17-M.

In returning Accountant-General's (Madras) No. 26—I.A.C.Z., forwarded with your No. 236, dated 22nd April 1885, I have the honor to state that I am authorized to inform you that the Public Works Department is not prepared to accept the charges referred to.

No. . From Brigadier-General R. C. STEWART, Quarter Master General, to Lieutenant-Colonel A. KENNEY-HERBERT, Officiating Secretary to Government, Military Department; dated Ootacamund, 6th May 1885, No. 1009-B.

Forwarded for the early orders of Government, in continuation of this office letter, No. 703-B., dated 31st March 1885.

From Brigadier-General A. C. JOHNSON, c.B., Commanding Eastern District, to the Quarter Master General; dated Fort St. George, 14th April 1885, No. 162-G.

In continuation of my letter, No. 127-G., dated the 23rd March 1885, I have the honor to report, for the information of His Excellency the Commander-in-Chief, that a report has been received from the Officer Commanding Berhampore that the Municipality have ceased to carry out the conservancy of the lines from the 1st April 1885, and that arrangements have been made for the performance of the work by other agency. I therefore request that early sanction of Government may be obtained to place at the disposal of the Officer Commanding Berhampore the necessary funds.

No. . With report from Controller of Military Accounts; 30th May 1885, C.

No. . No. 3036.

The Controller of Military Accounts is authorized, pending the issue of final orders on the subject, to provide funds for the conservancy, whether by military or municipal agency, of the regimental lines in the cantonment of Berhampore.

3RD JUNE 1885, No. 155 M., FINANCIAL.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper :—

From G. W. FAWCETT, Esq., President of the Municipal Commission, North Arcot, to the Chief Secretary to Government, dated Chittoor, 12th February 1885, No. 13.

I have the honor to report on the cost of conserving the military lines in Vellore, as directed in G.O., No. 2442, Financial, dated the 17th October 1884.

2. The total cost is as follows :—

	RS.	A.	P.
(1) Conserving and lighting the fort and cantonments, as per statement D	1,717	4	0
(2) Conserving the sepoy lines of the 10th Regiment, stationed in Vellore, and the lines of the families of the 3rd, 5th, and 28th Regiments for whom quarters are provided there, as per statements A and B	2,090	8	0
Total	3,807	12	0

3. Rs. 1,968 of the Rs. 2,090-8-0 in head (2) is the cost of a staff, as per statement B, supported partly by Government in the Military department, and partly at the expense of the sepoys of the 10th and the families of the other regiments concerned, i.e., Rs. 852 by Government and Rs. 1,116 by the sepoys and families. It actually conserves the lines themselves, and removes the excreta, rubbish, &c., to the latrines and dust-bins provided by the municipality; and a municipal staff, costing Rs. 122-8-0, as per statement A, the balance of the Rs. 2,090-8-0, does the rest.

4. The Vice-President reports, however, that the establishment given in A and B will not be sufficient for the purpose, if the municipality is to undertake the conservancy of the whole lines; and will have to be increased to a total cost of Rs. 2,842 for the first year, to provide for the making of a night-soil cart, and twenty dust-bins, as per statement C enclosed; and thereafter to Rs. 2,600 annually. The increase is, I think, necessary and should be allowed. This will raise the total cost to Rs. 4,560 in the first year and thereafter Rs. 4,300.

5. I may mention that the municipality has an income of about Rs. 350 a-year from the grazing lands within the limits of the cantonment and the sale of produce of fruit-bearing trees, &c., but this they will, I think, be entitled to retain.

ORDER—dated 3rd June 1885, No. 155 M., Financial.

The Government have no wish to disturb present arrangements as the intention of G.O., No. 2442, dated 17th October 1884, was merely to see that the municipality is paid for conserving the cantonment as a set-off for the loss of the revenue formerly

derived from the taxation of Government buildings within its limits. The charges at present incurred by the municipality would appear to be Rs. 1,717 for conserving and lighting the fort and cantonment, and Rs. 122 on account of a portion of the cost of conserving the regimental lines. The Military department will be requested to arrange for the adjustment of the charges incurred by the municipality.

GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

4 July 1885, No. 3603.

Cantonments.

Read the following papers:—

No. . From Colonel C. CARTER, Controller of Military Accounts, to Lieut.-Colonel A. KENNEY-HERBERT, Officiating Secretary to Government, Military Department; dated Fort St. George, 20th May 1885, A.

In returning the papers * referred under your docket, No. 981, of 23rd February 1885, I have the honor to state that O.G., Financial Department, No. 478, of 12th idem, decides that the Municipality of Vellore should be paid annually Rs. 1,717-4-0 for conserving and lighting the fort and cantonment and Rs. 122-8-0 on account of regimental lines, the necessary adjustment being effected by the Military Department.

2. From para. 1 of O.G., Financial Department, No. 2442, of 17th October 1884, it would appear that the Municipality is entitled to the above annual payment of Rs. 1,839-12-0 from 1883. Three years' payments, Rs. 5,512-4-0, are thus due, for which no provision has been made in the current year's estimate. Should Government, however, direct payment of the full amount in the current year, the charge might be met from the sum of Rs. 29,139 included for unforeseen charges in the item "Contingencies" under Grant 14.

3. As the payments for conservancy now authorized to be made to Municipalities represent compensation for loss of revenue consequent on the remission of taxes hitherto paid by the Public Works Department, which has thus been relieved of the charges for such taxes, that department was asked to accept the debit of the conservancy allowances now falling to be paid by the Military. The Examiner, Public Works Accounts, states, however (in reply † to a reference from this office), that he is authorized to inform me that the Public Works Department is not prepared to accept the charges referred to. It is accordingly for Government in the Military Department to determine whether the charges should be accepted by this department.

4. I would add that the decision on the present reference will apply equally to the cantonments of Cannanore, Trichinopoly, Berhampore, Mangalore and Vizianagrum (vide para. 2 of O.G., Financial Department, No. 2442, of 17th October 1884) as well as to other cantonments in India.

From Colonel C. CARTER, Controller of Military Accounts, to the Examiner of Public Works Accounts; dated Fort St. George, 22nd April 1885, No. 236.

I have the honor to forward letter * from the Accountant-General showing the amount of taxes hitherto paid in the Civil Department on military buildings in the cantonments of Bellary, Cannanore, Trichinopoly, Vellore, Berhampore, Mangalore and Vizagapatam, and for the loss † of which revenue Municipalities are now being compensated by payments made in the Military Department for the conservancy of the military lines in those cantonments.

2. As the Public Works (Military Works) budget grant is thus relieved of the payment of the taxes hitherto paid in the cantonments specified in the preceding paragraph, it is inquired whether the Public Works Department is prepared to accept the debit of the charges paid as compensation by the Military Department for the conservancy of the military lines in the cantonments referred to, and which charges have solely arisen by the remission of the taxes previously paid.

From D. C. GORDON, Esq., Examiner of Public Works Accounts, to the Controller of Military Accounts; dated Madras, 16th May 1885, No. 17-M.

In returning Accountant-General's (Madras) No. 26—I.A.C.Z., forwarded with your No. 236, dated 22nd April 1885, I have the honor to state that I am authorized to inform you that the Public Works Department is not prepared to accept the charges referred to.

No. From Brigadier-General R. C. STEWART, Quarter Master General, to Lieutenant-Colonel A. KENNEY-HERBERT, Officiating Secretary to Government, Military Department; dated Ootacamund, 6th May 1885, No. 1009-B.

Forwarded for the early orders of Government, in continuation of this office letter, No. 703-B., dated 31st March 1885.

From Brigadier-General A. C. JOHNSON, c.b., Commanding Eastern District, to the Quarter Master General; dated Fort St. George, 14th April 1885, No. 162-G.

In continuation of my letter, No. 127-G., dated the 23rd March 1885, I have the honor to report, for the information of His Excellency the Commander-in-Chief, that a report has been received from the Officer Commanding Berhampore that the Municipality have ceased to carry out the conservancy of the lines from the 1st April 1885, and that arrangements have been made for the performance of the work by other agency. I therefore request that early sanction of Government may be obtained to place at the disposal of the Officer Commanding Berhampore the necessary funds.

No. With report from Controller of Military Accounts; 30th May 1885, C.

No. No. 3036.

The Controller of Military Accounts is authorized, pending the issue of final orders on the subject, to provide funds for the conservancy, whether by military or municipal agency, of the regimental lines in the cantonment of Berhampore.
