SIR,

To enable the Secretary of State for India to give certain information asked for in Parliament, I am directed to request that the Government of India in the Public Works Department may be furnished with a nominal roll of all Unconvenanted Officers permanently in the classes indicated below, who have been *appointed in India*, and who are serving under *the orders of the Govt of Madras*, showing, as regards each individual, whether he is a European or a Native. This point must be determined by the definition of a Native of India given in Statute 33 Vic., Chap. 3, Sec. 6, viz., "any person born and domiciled within the dominions of Her Majesty in India, of parents habitually resident in India, and not established there for temporary purposes only."

- (a) Superior Accounts Officers above the rank of Assistant Examiner, 1st grade.
- (b) Railway Traffic Department above Class IV.
- (c) Railway Locomotive Department above Class IV.
- (d) Storekeepers in Class III of the Railway Revenue Establishment.
- (e) Sub-Engineers, 1st grade.
- (f) Accountants, 1st grade.
- (g) Assistant Secretaries in Bombay, the North-Western Provinces and Oudh and the Punjab.
- (h) Clerks, the salaries of whose posts, calculated in accordance with Sec. 38 (a) of the Pay and Acting Allowance Code, are Rs. 400 a month or upwards.
- (i) Superintendents in the Telegraph Department, and Assistant Superintendents drawing Rs. 400 a month or more.

2. If there are any isolated appointments carrying the salaries indicated under (4), these should be added.

3. The names of Civil Engineers (who are no longer classed as Uncovenanted Officers), who may be serving in any of the above classes of Establishment, should be omitted.

4. The list should include all permanent Uncovenanted Officers lent to Foreign Service or to Local Public Works. It should exclude acting or temporary officers and officers employed solely for Local Public Works.

I have the honor to be,

SIR,

Your most obedient Servant,

A. B. SAMPSON,

Under-Secretary to the Govt. of India.

Did you not wish to notice
that the classification of Lt. K.
Parsons was incorrect?

Cd.

7.7.11

Yes, he is a European born
in Dublin. The entry has
now been corrected.

There is another mistake
in the list sent by the
Examiner P.W. Accounts.

The names of officers
temp & sub pro tem in
certain classes are given,
though the Govt of India
letter specially asks for
a nominal roll of all

Unconv: officers permanent
in the classes indicated -
(vide para 4 also.)

By the entry of these
the Excrs. Office which is
allowed only 2 Accountants
1st grade shows 3, the
P.W. Secretariat which
is allowed 1 Assist.

But the Govt. of India also says that officers
temporarily sent to foreign service are
to be included in the list.

But the list - clearly shows
that 1 Accountant is sent to
1st grade - the list on page 10
shows 3.

on Rs. 600 shows 2.

Mr. E. Haldwell's name
is entered in the list
though he does not count
against our Sub Engr
1st grade.

Orders are requested
on the further points
now brought to
notice.

W.
H.

C
Para 4 of the order says that
acting or temporary officers are to be
excluded. Those entered are
officers holding Sub. Engr. rank
in place of officers during
their absence - If Govt consider they
should be excluded they may be
omitted, but the statement would
it appears to me be incomplete,
as ^{the other} ~~other~~ officers are not ⁱⁿ in the P.W.D.

Mr. Haldwell does count against
Sub Engrs 1st grade in Madras. If
Mr. Parsons is entered as "European" the
correction of Mr. Lumsden to "Native"

C.A.W.

Please ascertain from Mr. R.
Parsons under what "nationality"
he should be classed, & correct the
accompanying return accordingly.
There appears to me no doubt about
it, but as it is a personal matter
a reference to him is desirable.

Then correct the list if necessary.
The other entries may stand.

Draft submitted
for approval -

Mr. Parsons states that
having been born out
of India, he cannot come
under the Statutory definition
of a Native of India -

In other respects,
the list prepared by
the C. Office appears
correct.
