Draft order sanctioning Rs 15 per annum herewith submitted.

It involves a permanent ^{extra} annual charge of 57 Rs.

The increase of pay refused in G.O. No. 1219 W of 23 May 1885 was Rs 24 per annum. It was therefore thought that restrictive orders would apply equally to this case.

HB

To W — for consideration of the two alternative ^{drafts} orders submitted. It seems to me that the grant of a "cumbly" to each of the lascars & messengers in a deal box which you would not wish to withhold, & to which the restrictive order hardly apply.

~~Memo~~

From the Suply. Engineer IV Circle No. 273 Ewd. 30 June 1885.
Endorsement by the Exr. P.W. Accounts No. 249 of 6 July 1885.

In view of the recent orders restricting expenditure the Govt are unable to sanction the foregoing application.

2. Should the restriction be hereafter removed the question may be resubmitted for the orders of Govt. in conjunction with that referred to in para 2 of G.O. No. 1219 W of 23rd May 1885.

J

The Suply. Engineer IV Circle.

26.

I hardly think the restriction
applies to this case. A country
before horses or messengers is almost
impossible, I should say, in the cold
at climate of the highlands at this
season - necessary to keep them warm in
order to enable them to do their work.
I will then V. draft the order, and
then change, & will decide whether
advisable.
