GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers:—

From W. JOPP, Esq., Executive Engineer, in charge Central division, Godáviri, to the Superintending Engineer, I Circle, dated Gunnaram, 9th October 1884, No. 286.

I have the honor to request that you will obtain sanction for the employment of a cashier in this division.

2. The cash disbursements in the division are large, entailing the granting of imprest accounts amounting to Rs. 3,750.*

* Besides the drawing accounts of two sub-divisions and of the division officers.

It has also been found that the making of these heavy payments has so much interfered with the ordinary duties of overseers, that three delta superintendents have also had to be entrusted with imprests. Besides this, the sub-divisional clerks are quite unable to submit their cash-books and work-abstracts punctually in addition to their other work, which has resulted in the repeated late submission of accounts to the Examiner from this division.

3. If a cashier is appointed, much relief will be given to sub-division officers and overseers in the division, and the accounts kept in better order. I have the honor, therefore, to request that immediate sanction be obtained to entertain a man.

Endorsement on the above.

No. 1900 G.D.

Submitted to the Chief Engineer, Public Works Department, for favorable consideration, under paragraph 1924 of the Public Works Department Code.

With reference to your memorandum No. 1874 C., dated 18th November 1884, I have the honor to report that the cashier applied for for the Central division will be required to make payments throughout the year and throughout the division.
