Sir,

With reference to your Memo No. 117/R.
dated 23rd March 1885, returning my Travelling
Allowance Bill for revision, I have the honor
to invite your attention to Civil Travelling Allow-
-ance Code, Second edition, page 16, para 30,
Exception (h) whereby Officers of the P. W. Depart-
ment appointed to the charge of Surveys are
specially exempted from the operation of the
rule regarding halts of more than 10 days.

2. I return my journal herewith in the
hope that it will be passed under the rule
quoted.

3. I was relying on this exemption,
otherwise I could have shifted my Camp.
To have done so however would have involved
a descent into the unhealthy valley with the

result that I should most likely have
been laid up with fever like one of my
surveyors; the consequence of which would
have been the suspension of work.

I have &c
