C A his no. dated 6-7-85 on Demand Statements under Local, Incorporated & Excluded Local. – $\frac{[illegible]}{1659}$

—

(1) Funds to the extent of the revenue have now been appropriated & the draft order altered accordingly.

(2) Funds have not yet been appropriated for the pier at Gopalpur. The Ex. Engr's note on the subject of provision of funds for the work was allowed to lie over, till the contract with Messrs [illegible] is concluded in the absence of information as to the amount required for 1885-86. The S.E. 1st Circle now demands Rs 12,000 for the work & to that extent the P.W. Dept. is now requested to allot funds.

Totals against different funds under Excluded Local are entered.

Demand ~~Statements~~ under Local, Incorporated & Excluded.

5/1659

W desires the draft order to be revised with reference to the following points —

1 Incorporated Local — It is of course desirable to have in reserve a small sum to meet future possible demands, but we can only do this if we can first meet demands already before us — with Rs 3073 in hand, we ask the Finl. Dept. to allot the whole of the Rs 11077 asked for by S.Gs. This the Finl. Dept. will certainly refuse to do — W thinks therefore that the Rs 3073 should be allotted so far as it will go, & the Finl. Dept. asked to assign the balance — The draft revised could easily be ~~disposed~~ here with reference to this point, but I have delayed to return it — to [illegible]

with refce to the main which is —

(2) Excluded Land. — The Fin. Dept is asked to allot Rs 1,24,000 for the Gopalpur pier. Vide our G.O. No 3069 W of 13.12.84, the Fin. Depart stated ~~that~~ all charges on account of the Gopalpur pier should be debited to Port Funds for the present. Please see G.O. No 290 W of 7.2.85, which is not in the file, on receipt of the latter order, the C pointed out (to the best of my recollection) that it did not ~~meet~~ meet our requirements, in as much as a definite appropriation should be made from Port Funds, to be made & placed at the disposal of the Board. This communication we referred to Financial Dept for necessary action, & although I have not quite sure of it, I think we did receive further orders on the subject.

Mell. Supt.

2

B/ Office will say that the papers on the subject are not available. Kindly have the file looked up. If an appropriation has already been made, it will of course be unnecessary to ask again for an allotment. In any case, B should have brought up the papers to make the matter clear.

Under Excluded Land, the different funds to which the expenditure is to be debited, should be clearly noted in our statement. See my red ink entries. Last year because "University Fee fund" was not indicated, a misapprehension arose in Fin. Dept. Please see G.O. of 7.7.84 No 1508 Fin., also ~~explanation~~ explanation thereon No 1882 W of 2.8.84.

The accompanying office notes relative to a Specific allotment of funds for the Gopalpur Pier might perhaps be allowed to lie over until the completion of the contract.

As difficulties have arisen, it is hardly likely that any expenditure will be incurred before the end of this month –

After execution of the contract, the question as to what sum will be required for expenditure during 1885-86 can be referred to S.E.I., or to Messrs Duxbury & Co –
