SUPERINTENDING ENGINEER'S OFFICE,

5TH CIRCLE, MADRAS,

Chepauk, 11 July 1885.

From

THE SUPERINTENDING ENGINEER,

5TH CIRCLE,

To

THE

Chief Engineer
P. W. D.

SIR,

Enclosures. 2

In returning your Honor's
endorsement No. 80 dated 6th
May 1885, I have the honor
to report, that the lower
block of the Family Quarters
in the Begum's Compound
at the Mount, is valued
at Rupees 5,000. This is the
net value, after deducting
the cost of repairs, now neces-
sary and estimated at
Rupees 2,740, and making al-
lowance for deterioration.

2. The quarters were built
in 1859.

3. During the last heavy
rain, cracks opened out,
and the walls of the rear
Verandah had to be propped
up by posts outside. The
walls are built of brick
in clay. The main walls
had to be tied together
some years ago, by iron
rods, to prevent them from
bulging out.

I have the honor to be

Sir

Your Obedt Servt
