Memorandum from the Chief Engineer, dated 26th June 1885, No. 1105 C.

From A. GRANT, Esq., Examiner of Accounts, Madras State Railways, to the
Chief Engineer, Public Works Department, dated Bellary, 11th July 1885,
No. 13 R.

I have the honor to acknowledge receipt of memorandum, No. 1105 C., dated 26th ultimo, sanctioning an increase of pay, from Rs. 60 to 80, to temporary Overseer Aravamuthu Iyengar, employed on the Hindupur Extension Relief Works division, and, in reply, beg to append a comparative statement showing the scale for upper subordinates as sanctioned in G.O., No. 506 R., Public Works, dated 6th May 1885, and as existing at present in that division, from which it will be observed that the scale as it stands does not permit of the increase being granted. This was brought to the notice of the Executive Engineer, and I beg to point out that the formal sanction of the Government is necessary to an increase to the present scale to meet the excess.

Read the following paper :—

From H. T. GEOGHEGAN, Esq., Engineer-in-Chief, Madras State Railway Surveys,
to the Joint Secretary to Government, Public Works Department, Railway
Branch, dated Bangalore, 27th April 1885, No. 330.

*Scales of Establishment for Madras State Railway Surveys and Hindupur Extension
Railway.*

In compliance with G.O., No. 331 R., dated 27th March 1885, I have the honor
to submit a statement of proposition for revision of establishment for the Railway
Surveys and Hindupur Extension. This has been prepared in communication with the
Examiner and bears his signature. The corrections, however, have not been seen by the
Examiner. These are required by the instructions contained in your No. 828 C.,
dated 22nd instant, regarding additional survey parties, and I attach a scale for each
additional party which will enable you to understand the alterations.

2. As the budgets of the Kadiri Extension and Villupuram-Damalcheruvu Surveys
are prepared in accordance with this scale, I thought it best to send it to you direct,
instead of through the Examiner who could make no alteration in it. You may,
perhaps, for the same reasons, see your way to sanction it without further reference to
the Examiner. In this case please return the statement to me to have it copied,
unless you have it printed, in which case please send me six copies.
