To S. W.

Are the services of
Mr. Hughes to be
lent to the Tanjore
Municipality free
or on payment?

M.
13-7

I take it that the services
of Mr. Hughes are to be given to
Municipality "free", but on this
point I shall take W's orders
on his arrival in Madras in
course of this week. If Mr. Hughes'
salary is met by Municipality, then
Mr. Hanson may be made E.F. Spt.
during time he is in charge of
Tanjore Divⁿ - otherwise we may
not be able to give him charge allowance
which will be unfortunate.

What do you understand
was the nature of the proposal
made by the Mun. Council
of Bangalore in their Chairman's
letter dated 5.6.85?

Do the Municipality intend
to defray Mr. Hughes' salary?

14-7-85

Now

From the Pres. of the
Municipal Council of 30.5.85,
it seems clear that they
are prepared to bear Mr.
Hughes' salary for the
period his services may
be lent to them -

On inquiry, they
found that it would
take about two or three
months to draw up the
project, & they thought
that the cost would not
exceed Rs 3000 -

Mr. Hughes'

Salary for three months
would be Rs 2,400/- &
the Councilors doubtless
leave a margin for minor
expenses.

The Municipality evidently
intend to defray charges
connected with Mr. Hughes
Salary.

This being now decided, there
has been no action by Mr. Hughes, he
may be given a substantial
pro tem stipend.

2. Read letter from the Collector of
Saugore requesting to inform if
the Councillors have considered
what it will cost to secure the
services of Colonel Brockman,

These arrangements will be made.

on account of water Project.

The Councilors understand that Col. Brockman has gone home on leave. They prefer Mr. Hughes, because he is locally acquainted with the water Project and they further understand that from Mr. Hughes letter, the work of taking out the necessary plans and framing the required Estimates will take about two or three months and they think that the cost will not exceed Rs 3000. Therefore they resolve that the Government be requested to transfer the services

of Mr. W. Hughes to the Municipality for such time as the work may occupy.
