GOVERNMENT OF MADRAS.
PENSION DEPARTMENT.

READ—the following papers :—

From Lieut.-Colonel H. M. VIBART, R.E., Superintending Engineer, III Circle,
to the Examiner of Public Works Accounts, dated Ramandrug, 15th May
1885, No. 334.

I have the honor to forward the gratuity application and service book of
V. Kotayya, late a storekeeper of the
Kurnool Canal division.

One gratuity application.
One service book.

2. This individual was taken into
Government service from the service of the Canal Company on the transfer of the
canal, and though he was pronounced physically unfit for public service, his retention
in the service for a couple of years was sanctioned by Government in G.O.,
No. 1968 W., dated 14th July 1883.

3. His services were lately dispensed with, in consequence of the Executive
Engineer reporting him as being of very little use, and knowing very little of depart-
mental work.

4. It does not appear that he is entitled to any gratuity under the circumstances,
but his case deserves the special consideration of Government as he is an old servant
of the company having served them 13 years.

No. 66 S.E. 3rd.

Endorsement on the above.

Forwarded in original (to be returned) to the Secretary to Government, Pension
department, for favor of disposal. The applicant's services as detailed in the gratuity
application have been verified from the salary audit registers of this office and found
correct.

2. The retention for two years of the applicant, who was pronounced physically
unfit for public service, has been sanctioned in G.O., No. 1968 W., dated 14th July
1883 (copy attached). His services are stated to have been dispensed with from the
afternoon of the 26th March 1885, in consequence of the Executive Engineer reporting
him as being of very little use and knowing very little of departmental work (*vide*
paragraph 3 of Superintending Engineer's letter, No. 334, dated 15th May 1885).

3. The applicant was taken into Government service from the Kurnool Canal
Company, but as he was pronounced unfit for the public service when his services
were made over to Government, his status in the department should, it is thought, be
considered only temporary. Under the circumstances, he does not appear entitled to
any retiring allowance.

MADRAS,
9th June 1885.

(Signed) D. C. GORDON,
Examiner, Public Works Accounts.

ORDER—dated 9th July 1885, No. 865, Pension.

The applicant is clearly not entitled to any retiring allowance.
