ORDER—dated 1st July 1885, No. 1533 W., Public Works.

The statements printed with these proceedings exhibit the demands made by Superintending Engineers for Provincial minor and incomplete works, repairs, and tools and plant.

2. The demands under Repairs are as follows :—

	RS.
Civil Buildings...	82,054
Communications	49,100
Miscellaneous Public Improvements	7,421
Total ...	1,38,575

3. The total allotments, as shown in statement A, are :—

	RS.
Civil Buildings ...	85,360
Communications	72,640
Miscellaneous Public Improvements	6,730
Total ...	1,64,730

4. The Superintending Engineer, IV Circle, made no demands in his statement under Repairs and Tools and Plant; but he has since explained that the grants made to his circle under those heads at pages 18 and 47 of the final issue of the Provincial budget for 1885-86 are not susceptible of reduction. The allotments made to the I and V Circles are less than the demands; and, if the grants are hereafter found to be inadequate, endeavours will be made to supplement them. Expenditure should, however, be restricted to absolutely necessary requirements.

5. The budget provision under Repairs amounts to Rs. 2,24,175; and the difference, Rs. 59,445, between that sum and the allotment now made is transferred to the reserve under Civil Buildings.

6. The total demands under Tools and Plant aggregate Rs. 22,100; and the total allotments, after providing for the requirements of the IV Circle, amount to Rs. 29,600. The provision in the budget for expenditure in India under this head is Rs. 51,115; and the difference, Rs. 21,515, between that sum and the allotment now made is transferred to the reserve under Civil Buildings.

7. The amount reserved in the budget for incomplete and minor works was Rs. 1,18,930, but subsequent modifications have reduced the sum to Rs. 1,07,123. The total amount available for distribution is therefore:—

	RS.
Reserve with Government ...	1,07,123
Transferred from Repairs ...	59,445
Do. from Tools and Plant...	21,515
Total ...	1,88,083

8. The demands received are as follows:—

Incomplete minor works ...	4,931
Do. major works ...	1,74,287
Do. Registration works ...	24,141
Do. Police works...	19,423
Total incomplete works ...	2,22,782
New minor works...	5,192
Do. major works ..	2,000
Do. Registration works...	2,455
Do. Police works	8,153
Total new works ...	17,800
Lump sum grants for minor works	8,425
Total demand ...	2,49,007

9. The allotments granted are shown below:—

Incomplete minor works ...	3,241
Do. major works ...	1,20,025
Do. Registration works ...	23,407
Do. Police works...	18,534
Total incomplete works ...	1,65,207
New minor works...	2,150
Do. major works	8,700
Do. Police works	1,725
Total new works ...	12,575
Lump sum grants for minor works as per statement A	8,425
Total allotments ...	1,86,207

10. In the case of several works entered in the list, demands are made for grants in addition to allotments already provided in the budget. The demands in such cases have not been complied with under existing financial pressure; but, if necessary, arrangements will be made to provide additional funds later in the year.

11. Grants have been provided for only two minor new works, viz., "Furnishing of quarters at Ootacamund" (Rs. 2,150, a completed work), and "Constructing of huts at Perumallur" (Rs. 1,725, in progress). The action of the Executive Engineer, North Arcot division, in commencing the latter work in anticipation of an allotment of funds, was irregular.

12. Under Major New Works Rs. 2,000 have been allotted for improvements to family quarters attached to the civil engineering college at Madras, a work commenced by the Consulting Architect to Government in anticipation of sanction. The

irregularity has been noticed in separate proceedings. A sum of Rs. 6,700 has also been provided for improvements in the Negapatam taluk cutcherry, a work urgently needed. The Superintending Engineer, VI Circle, will have it put in hand at once, and completed within the official year.

13. The statements printed at pages 18 and 47 of the final issue of the Provincial budget for 1885-86 are superseded by these proceedings.
