No. 363. *From Major T. DEANE, Officiating Deputy Secretary to the Government of India, Military Department, to the Adjutant-General in India; dated Simla, 7th July 1885, No. 814-D.*

Native Languages.

I am desired to acknowledge the receipt of your letter, No. 1473-B. (Medical Department-Subordinate—Leave), dated the 2nd June 1885, stating that the Commander-in-Chief is of opinion that the rules in Articles 784 to 787, India Army Regulations, Vol. I, Part I, in respect to leave for the purpose of studying languages should be made applicable to Warrant Medical Officers, with reference to Clause 120, India Army Circulars, 1884.

2. In reply, I am to say that the Government of India consider that, if made applicable at all, the rule should be applied to Warrant Officers generally. As, however, the Public Works Department do not concur in thinking the general application of the rule desirable, and as it cannot therefore be extended to Warrant Officers as a body, the Government of India are of opinion that it will be best not to apply it to any.

No. 814-D.

Copy forwarded to the Secretary to the Government of Madras, Military Department, for the information of the Governor in Council.
