I am directed to acknowledge the receipt of your letter, No. 923, dated the 6th June 1885, reporting, with reference to paragraph 6 of the resolution in this department, No. 552, dated the 29th April 1885, the reductions which the Government of Madras proposes to make in the expenditure of the current official year.

2. I am directed to forward a statement of the reductions of expenditure in Madras adopted by the Government of India in framing an estimate of the reductions in all India for report to Her Majesty's Secretary of State for India.

3. The reductions are those stated to be possible in your letter except that the reductions of Rs. 2,00,000 under 44, Irrigation, of Rs. 2,77,006 under Military works, and Rs. 11,200 under Imperial, 46, Civil Buildings, Roads and Services, have been omitted as they had been included in separate estimates prepared by the Public Works and Military departments of the Government of India.
