GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

Read—the following papers:—

From Lieutenant-Colonel H. M. VIBART, R.E., Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Bellary, 19th June 1885, No. 584.

In continuation of my letter, No. 569, dated 14th June 1885, I have the honor to submit, for approval and orders, the following proposals regarding the future employment of office establishment of Kurnool division. This division at present has—

1 Clerk, III class, 3rd grade, on	Rs. 50 to 60
1 „ IV „ 2nd „	„ 30 to 40
2 Clerks IV „ 3rd „	„ 20 to 30 each
1 2nd-class draftsman	„ 35 to 50
1 3rd-class „	„ 20 to 30
2 Messengers at	„ 6 each
3 Lascars at	„ 6 „

2. It is proposed to transfer the first two clerks, the second-class draftsman, and a messenger to the Canal division to form a part of the permanent establishment of that division. One clerk is intended to be employed as a cashier, while the second will have charge of the records of the new sub-division and will carry on the office work connected with it.

3. The remaining two clerks and the third-class draftsman will be posted to fill vacancies in other divisions. The lascars, &c., will also be similarly absorbed as far as possible. The services of those for whom no place can be found will of course be dispensed with after due notice.

4. The office work in the Canal division is already heavy enough; and I am satisfied that additional help should be given to enable that office to cope with the extra work that will be thrown on it consequent on the proposed amalgamation.

5. Should experience show hereafter that the establishment is capable of curtailment, the reduction could easily be effected at any time.

6. A statement showing the present and proposed scale of establishment is enclosed.

Enclosure.

Application for the proposed increase of the Establishment in the Kurnool Canal Division.

Order—dated 5th August 1885, No. 1819 W., Public Works.

The Government consider that the Kurnool sub-division is an exceptionally heavy one, and sanction the increase to office establishment as proposed by the Superintending Engineer, III Circle, in the comparative statement submitted with his letter recorded above, the cost being met from savings under Establishment.

2. This sanction is registered as Provincial, No. 30 W. of 1885-86, and classified as Establishment, Permanent.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

Read—the following papers:—

From Lieutenant-Colonel H. M. VIBART, R.E., Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Bellary, 6th February 1885, No. 2214.

I have the honor to submit, for sanction, the accompanying application for an additional clerk, fourth class, second grade, required in the Kurnool Canal division office.

2. All the telegraph offices on the Kurnool canal are now open to the public. The cash accounts of these offices have to be audited once a week, and other telegraph accounts, as per licensed telegraph code, have to be rendered to the telegraph accounts check office at Calcutta.

3. The extra work thus involved cannot well be performed by the present establishment, which has already heavy work to get through.

Office note from the Examiner, Public Works Accounts, dated Madras, 17th February 1885, No. 828.

Checked and found correct. The mean pay of each appointment has been entered in column "average or fixed" instead of the financial value of each appointment as laid down in section 43 (*a*) of the Pay and Acting Allowance Code. The necessary correction has been made by this office.

2. The entries in column "present scale" show the sanctioned scale of establishment for the division office, also the scale of establishment sanctioned for subdivisional officers, detached officers and overseers.

Order—dated 6th March 1885, No. 503 W., Public Works.

The entertainment of an additional clerk, fourth class, second grade, in the office of the Executive Engineer, Kurnool Canal division, is sanctioned, as proposed by the Superintending Engineer.

2. This sanction has been registered as Provincial No. 89 W. of 1884-85, and classified as Establishment, Permanent.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

Read—the following papers:—

From the Superintending Engineer, II Circle, dated 3rd March 1885, No. 2745 K.S.
Endorsement of the Examiner, Public Works Accounts, dated 16th March 1885, No. 891 S.E.
Office note from „ „ „ 1st April „ No. 3.

Order—dated 18th April 1885, No. 923 W., Public Works.

Questions having arisen as to the sanctioned scale of office establishments to be allowed for the Assistant Engineers and upper subordinates attached to each circle, it is desirable that a working scale should be fixed which will not be liable to the temporary fluctuations due to casualties and transfers among the executive staff.

2. Superintending Engineers are accordingly requested to submit, for consideration, a scale of establishment for each division, based on existing sanction for—

(*a*) Sub-divisional officers.
(*b*) Detached officers above the rank of overseer.
(*c*) Overseers.

3. The authorised scale under each of these heads is as follows:—

		RS.
(*a*)	1 Clerk, IV class, 3rd grade	20—30
	1 Messenger	6
(*b*)	1 Clerk, IV class, 3rd grade	20—30
	1 Lascar	6
(*c*)	1 Clerk, V class, 1st grade	15—20
	1 Lascar	6

4. The special rates of pay allowed to the sub-divisional establishments of the Nílgiri division should be provided for.

5. When the scale of establishment for each division has been fixed, all appointments will be counted against duly sanctioned posts.

OFFICE NOTE No. 267.

To

W. Encs: 2.

Entries in column "Present Scale" of Proposition Statement have been checked and found correct. The Statement includes provision on account of Office Establishment for Sub Divisions, Detached Officers and Overseers, which it is believed will be sanctioned separately for Circles or Divisions vide G.O. No. 923 W. dated 16th. April 1885.

2. The mean pay of each appointment has been entered in column "Average or fixed pay" instead of the financial value of each appointment as laid down in Section 43 (a) of the Pay and Acting Allowance Code. The necessary correction has been made by this Office.

3. The Superintending Engineer 3rd. Circle proposes the employment of the two senior clerks of the Kurnool Division one as Cashier and

the other as a Sub Divisional clerk. Should Govt. consider that the cash transactions of the combined Kurnool and Kurnool Canal Divisions are sufficiently heavy, a Cashier may be sanctioned, the amount of security to be taken being fixed by the Chief Engineer P. W. Department vide Code para 949. With the exception of Sub Divisional clerks of the Nilgiri Division, all the Sub Divisional clerks in the entire Presidency are of the IV. Class 3rd. Grade, and it is for Govt. to decide whether one of a higher grade is in this case necessary. Application is made for the entertainment of 3 messengers for the Divisional Office while the scale allowed for other similar Divisions in the Presidency is only two.

C.

SP
8/7

---

(6)

I can see good reasons for the employment in this case of a clerical staff much stronger than that authorised for an ordinary Subdivn. A cashier will be required on account of the numerous payments, apart from those on the Canal, that will devolve on the Asst. Engr. who will be in charge, & a draftsman because of the numerous plans & estimates of buildings & tanks that the draftsman in Canal Office would not be in a position to undertake. I would therefore sanction the proposal. The Subdivision will be an unusually extensive one.

CS
26.7.88

6.30.7-88.

C. Nos: 5461 & 6031.

Note. 1819

In the accompanying papers, the Suptg. Engr. III Circle submits a proposition statement for increase of Permanent Establishment required in the new Kurnool Division consequent on the amalgamation of the late Kurnool Division as a Sub Division.

On account of the amalgamation, the Canal Division is entitled only to the following additions authorised for a Sub Divisional Office.

1. Clerk on Rs. 20 to 30
1. Messenger on Rs 6.

Instead of the above, the following increase is proposed.

1. Clerk on Rs. 50 to 60.
1 Clerk on Rs. 30 to 40
1 Draftsman on Rs 35 to 50
1 Messenger on Rs. 7.

The first clerk is said to be required as a Cashier, but there is nothing to show that the cash transactions of the combined Divisions are so heavy as to justify the appointment of a separate cashier, having in in view that a clerk on Rs 30 to 40 was already sanctioned to the Canal Division in excess of the office establishment authorised to other similar 1st class Divisions. Vide G.O. No: 503 W d/ 6th March 1885.

In case of the 2nd clerk, the salary proposed is high. The authorised scale for a Sub Divisional clerk is Rs 20 to 30 only. No reason is assigned why a higher pay is proposed.

In case of the Draftsman no reason is assigned why this addition is necessary. It is in excess of the staff of draftsmen authorised to a 1st class Division.

The pay proposed to the messenger is high, the authorised scale being Rs 6 only.

1 Statement

No 5300 in the ment Section

JP
22-6-85

In continuation of my letter No 569 dated 14th June /85, I have the honor to submit for approval and orders, the following proposals regarding the future employment of Office Establishment of Kurnool Division. This Division at present has

1 Clerk III Class 3d Grade on Rs	50 to 60
1 — do — IV — do — 2d — do — "	30 to 40
2 — do — IV — do — 3d — do — "	20 to 30 each
1 2d Class Draftsman ——	35 to 60
1 3d Class —— do ——	20 to 30
2 Messengers ——	@ Rs 6 each
3 Lascars ——	@ Rs 6 each

2. It is proposed to transfer the first

first two clerks, the 2nd Class Draftsman, and a messenger to the Canal Division to form a part of the permanent establishment of that Division. One clerk is intended to be employed as a Cashier, while the second will have charge of the records of the new sub Division and will carry on the office work connected with it.

3. The remaining 2 clerks and the 3rd Class Draftsman will be posted to fill vacancies in other Divisions. The lascars &c will also be similarly absorbed as far as possible. The services of those for whom no place can be found, will of course be dispensed with after due notice.

4. The office work in the Canal Division is already heavy enough, and I am satisfied that additional help should be given to enable that office to cope with the extra work that will be thrown on it consequent on the proposed amalgamation.

PUBLIC WORKS DEPARTMENT.

No. 1819

1819/14

PROCEEDINGS OF THE MADRAS GOVERNMENT.

A

Send with statement

UNDER date the [illegible] August

READ the following

From the Superintending Engineer III Circle - H. E. No: 584 a/19th June 1885
Office Note from the Examiner P. W. Accts. H. E. No: 267 a/9th July 1885
From the Supdg. Engr. III Circle - H. E. No: 903 a/24th July 1885

The Government consider that the Kurnool Sub Division is an ~~unusually~~ exceptionally heavy one and sanction the increase to office establishment as proposed by the Superintending Engineer, III Circle, in the comparative statement submitted with his letter recorded above, the cost being met from savings under Establishment.

2. This sanction is registered as Provincial No: 30 W of 1885-86, and classified as Establishment, Permanent.
