SIR,

With reference to G. O. No. 317 N. dated 11th February 1885 communicating to the officers concerned the rules &c. connected with the establishment of the Civil Engineers' Provident Fund, I have the honor to request, as I would wish to join the Fund, that you will be good enough to refer the question to the Government of India as to whether Royal Engineers officers doing duty in India in the P. W. Department may not be allowed to join the Fund on the same conditions as Civil Engineers.

I have the honor to be,

Sir,

Your most obedient servant,

Arthur

Chief Engineer for Irrigation
Captain R.E.

PUBLIC WORKS.

Dated February, 11th.

Recd.

Encl.

G.O., 11th Feb. 1885, No. 317 W.

FEBRUARY.

**Civil Engineers' Provident
Fund**

Orders of the Government of India issuing revised rules of the —, communicated to the officers of the Public Works Department.

(2) In the case of officers now in the department, the deposits will be voluntary, and may be discontinued and renewed at the option of the depositor. But officers joining the department hereafter must contribute 5 per cent. of their salary to the fund, and may contribute up to 10 per cent. of salary. Apprentices may contribute to the fund, but will not be compelled to do so.

(3) Compound interest at 4 per cent. on such payments will be annually credited Government to each officer subscribing.

(4) The sum which will thus accumulate to the credit of an officer to be his absolute property, to be handed over to him unconditionally on quitting the service, or, in the event of his death before retirement, to his legal representatives.

II. The deposits received under the foregoing resolution will be placed in a Government Savings Bank, named "Civil Engineers' Provident Fund." The administration of the Fund

Administration of the Fund.

will rest with the Government of India in the Public Works Department.

III. Deposits will be received by the various Examiners of Public Works Accounts throughout India. They will be recovered by deduction from the pay bills, or may be made in cash.

Receipts of Deposits.

Deposits cannot, except in the cases provided for in the next rule, be made otherwise than through an Examiner of Public Works Accounts or an Executive Engineer who is in account with an Examiner.

IV. An officer who is not on the books of any Examiner, but receives his allowances either from the Civil Department or from a Local Fund or a Foreign State, may, if he has already been admitted as a depositor, pay his contributions either in cash into the nearest treasury, or, if he is paid by the Civil Department, by deduction from his salary bill. He must, in either case, specify the number of his account. His contributions will be passed on, by the Civil Accountant-General, to the Examiner, Public Works Accounts, of the province, who will exercise the responsibility mentioned in rule VIII.

An officer of this class who has not already been admitted, must apply for admission (and assignment of number) to the Accountant-General, Public Works Department.

For the purposes of this rule, the Examiner for the province is, in the case of Indian treasuries, the Examiner of Military Works Accounts.

V. No withdrawal will ordinarily be allowed from the deposit until the depositor quits the service or dies. But on Local Governments

Withdrawals.

or Administrations being satisfied that the

pecuniary circumstances of a depositor are such, that the indulgence is absolutely necessary, a deposit may be temporarily withdrawn under orders issued by the respective Local Governments and Administrations—

(i) to pay for the passage of the depositor going on leave out of India on medical certificate, or returning after such absence;

(ii) to pay for the passage of any member of the depositor's family coming from beyond the sea to join him, or going beyond the sea sick, or from some urgent cause.

A withdrawal thus sanctioned will be made after reference to the Comptroller-General to ascertain that it is covered by the amount at credit.

VI. Withdrawals under rule V will be recovered in twenty equal monthly instalments compulsorily deducted from salary in addition to contributions under rule I, whenever full salary is drawn, until the whole is refunded. Such instalments may be paid in advance.

VII. The balances of deceased depositors will be paid according to rules 58 and 59, chapter 19, of the Civil Account Code, edition 1883, and Act V of 1873.

Deceased Depositors.

VIII. For the proper admission of depositors, the correct realisation of the receipts, and the admission and payment of the withdrawals, the

Responsibility of Examiners.

Examiners, as audit officers, will be entirely

responsible. The functions of the Comptroller-General are purely those of keeping the account of the receipts and withdrawals as reported by the Examiners.

IX. All sums received from depositors will be credited, and all sums withdrawn will be charged, by the Examiners under the head "Civil Engineers' Provident Fund."

Examiner's Account of Deposit.

X. The Examiner will, at the end of each month, forward to the Comptroller-General, Savings Bank Department, a statement of the sums he may receive on account of the Fund. This statement will contain (1) the dates of receipt; (2) the numbers of the depositors' accounts; (3) name and official designation of the depositors; and (4) amounts of deposits. The total of this statement must agree with the corresponding credit in the Examiner's account as rendered to the Accountant-General. For number of depositors' account see below, rule XIII.

XI. The Examiner will similarly forward a monthly statement of withdrawals. This statement will give the following particulars, and the total of it must agree with the corresponding debit in the Examiner's monthly account as rendered to the Accountant-General:—

Examiner's Account of Withdrawals.

(1) dates of payments; (2) numbers of depositors' accounts; (3) names and official designations; (4) amounts paid; (5) number and date of the orders of the Local Government or Administration for payment as prescribed in rule V. For number of account see below, rule XIII.

The Accountant-General will, together with his monthly account, send to the Comptroller-General a complete statement, by Examiners, of the total receipts and withdrawals on account of Provident Fund.

XII. The yearly receipts and charges on account of the Civil Engineers' Provident Fund will be cleared from the books of the various

Accounts of Fund to be transferred annually to the books of Examiner, Military Works Accounts.

Examiners by transfer to those of the Examiner of Accounts, Military Works, in whose books,

consequently, the transactions of the whole Fund will be recorded.

XIII. The account of each depositor will be posted in a ledger, to be kept by the Comptroller-General, Savings Bank Branch. The ledger will be closed as soon as possible after 31st March of each year.

Depositor's Ledger.

XIV. Every account in this ledger will receive a distinct number. The number so given to the depositors' accounts will be consecutive.

Numbers of Depositors' Accounts.

When a new depositor is admitted, the Comptroller-General will, on reference, notify to the Examiner concerned the number to be given to his account, and this number will be quoted against all further deposits and all withdrawals in the statements prescribed in rules X and XI. A depositor's number will not be altered, nor will the numbers of closed accounts be given to new depositors. In the event of the depositor's transfer, the number will be noted on his last-pay certificate, in order that the next Examiner may be able to quote it in his deposit statements.

XV. Interest will be allowed for each calendar month upon the minimum balance of the depositor's account between the close of the

Interest.

fourth day and the end of the month. In

calculating interest under this rule, the deposits received by deduction from salary will be considered as paid into the Fund on the 1st of the month succeeding that for which the salaries from which the deductions are made are due. The interest will be calculated monthly as provided for in the form of ledger, but will not be added to principal until the end of the official year, except when the account is to be finally closed, in which case the interest will be paid, after reference, as prescribed in the next section.

XVI. When an account is to be closed, the Examiner who at the time is charged with the receipt of the deposits, will submit to the Comptroller-General a statement of the transactions

Closing of Account.

of the past six months, certifying them to agree with the debits and credits in his accounts (or submitting such certificate of any other Examiner in whose accounts they were included) and will apply for an order for payment of interest and principal up to date. The account will be made up in advance, by the Comptroller-General, and issued in the form A attached, with an order directing the debit.

XVII. The amount of interest to be added to the balance of the Fund will be calculated each year by the Comptroller-General, who will issue

Addition of Interest.

a direction to the Accountant-General, Public

Works Department, to credit the amount to the Fund by debit to Civil Department in the exchange account between the Comptroller, Indian Treasuries, and the Examiner of Accounts, Military Works. This transaction must include the debits on account of interest paid during the year on closed accounts, which during the currency of the year is debited to the Fund itself.

XVIII. As soon as possible after receiving the March accounts of the Accountant-General, Public Works Department, the Comptroller-General will make up each depositor's account,

Yearly Advice to Depositors.

with interest, till March 31st, and will send him, through the Examiner in whose account his last subscription was received, a statement of his account in form A annexed, or in some similar form. Depositors are required to satisfy themselves as to the correctness of these statements; and, unless errors in them are brought to the notice of the Comptroller-General within one month from the date of their receipt, Government will not be responsible for any sums not thus acknowledged.

XIX. Any depositor may, once in the official year but not oftener, receive, on application to the Comptroller-General, a copy of his account for the last official year, and for so many months of the current year as may have been posted and agreed with the accounts of the department.
