READ—the following letter from the Venerable the Archdeacon of Madras, to the Secretary to Government, Public Works Department, dated Madras, 8th August 1885, No. 367 :—

With reference to G.O., dated 4th July 1885, No. 1561 W., Public Works, I have the honor to request information as to whether any funds will be placed at my disposal for the execution of petty works on the Nilgiris.

2. The Order, dated 21st November 1882, No. 1750 W., forwarded to the Ecclesiastical Department on G.O., 27th October 1882, No. 2834 W., Public Works, was—

“Petty works of construction and repair in the Nilgiri and Presidency divisions will henceforth be carried out by the Public Works Department. The unexpended balances of the allotments made to those districts for the current year will be transferred to the credit of the Public Works Department.”

3. No mention of funds is made in the present order, and I have none at my disposal for works on the Nilgiris.

ORDER—dated 19th August 1885, No. 1908 W., Public Works.

When petty civil works in the Nilgiri district are, under G.O., No. 1561 W., dated 4th July 1885, carried out by civil officers under special arrangement with the Executive Engineer, the requisite funds will be supplied by the latter officer.

READ—the following papers:—

From Major A. C. SMITH, R.E., Executive Engineer, Nilgiri division, to the
Superintending Engineer, IV Circle, dated Ootacamund, 16th May 1885,
No. 447.

With reference to code paragraph 1590, I have the honor to request that the

Repairs to the cemetery at Wellington,	rs.	sanction of Government may be obtained
Register No. 9 of 1885-86 ...	187	to the works as per margin being carried
Lighting St. Stephen's church at Oota-		out by the chaplains concerned.
camund, G.O., No. 19 E., dated 21st		
April 1885 ...	300	2. I should have scarcely thought it
		necessary to trouble Government in the
		matter, as ordinarily such works would

be provided for in the civil budget and be carried out without the intervention of this
department, but for the exception made in paragraph 5 of G.O., No. 2834 W., of 27th
October 1882, to such works in the Madras and Nilgiri districts being carried out
through the agency of the Public Works Department. As the exception was apparently
based on the disadvantages attending the execution of such works by civil officers in
the excepted districts, it is thought that when those disadvantages do not exist, and
when the local Public Works and Civil authorities are in accord as to their execution
by civil agency, then there could be no possible objection to the latter course.

3. Under these circumstances I would solicit that general sanction be accorded
to this being done for the future wherever it can be conveniently arranged between
the departments concerned, so that it will not be necessary to trouble Government in
each particular case.

No. 211 E.W.

Submitted to the Chief Engineer, Public Works Department, who is requested to
be good enough to obtain the sanction of Government to the course recommended by
the Executive Engineer.

22nd May 1885.

(Signed) J. BEATTY, Colonel, R.E.,
Superintending Engineer, IV Circle.

No. 189 E., Public Works.

Referred to the Public Department, for favor of opinion whether there is any
objection to the adoption of the course proposed by the Executive Engineer with respect
to petty civil works generally on the Nilgiris.

OOTACAMUND,
3rd June 1885.

(Signed) J. SHAW-STEWART, Col., R.E.,
Secretary to Government.

From the Public Department, dated 11th June 1885, No. 1109.

There is no objection to the adoption of the proposed course as regards petty civil works generally in the Nilgiri district.

OOTACAMUND,
11th June 1885.

(Signed) E. F. WEBSTER,
Chief Secretary.

From the Public Department, dated 25th June 1885, No. 1184.

ORDER—dated 4th July 1885, No. 1561 W., Public Works.

The foregoing proceedings, in the Public Department, will be communicated to the Superintending Engineer, IV Circle, with advertence to his endorsement, No. 211 E.W., dated 22nd May 1885.

2. The proposals in paragraphs 2 and 3 of the Executive Engineer's letter, No. 447, dated 16th May 1885, may be adopted as regards petty civil works generally in the Nilgiri district.
