GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

10th September 1881, No. 1688.

Twenty-five Years' Order.

Read the following paper:—

From S. JACOB, Esq., Officiating Under Secretary to the Government of India, Department of Finance and Commerce, to the Chief Secretary to Government, dated Simla, 27th August 1881, No. 2609 [Current No. 2378].

In reply to your letter, No. 1413, dated 3rd August 1881, I am directed to say that it is intended by Section 102, Rule 4, of the Civil Pension Code, that cases where the Medical Officer has stated that a person is by appearance above twenty-five years of age should be submitted to Government for orders, though there be no occasion to doubt the person's statement as to his real age. As stated in your letter, the opinion of the Medical Officer is only to be regarded as determining a person's age where no certificate of birth exists, or where there is room for suspecting the person's statement. But the Accountant-General cannot tell which evidence is best; the matter must, therefore, be decided by the Local Government on the case being brought to its notice by the Accountant-General.

Copy forwarded to the Accountant-General, Madras.

ORDER THEREON, 10th September 1881, No. 1688.

Recorded.

2. The Accountant-General is authorized to withdraw his objection to the appointment of the Amin referred to in G.O., No. 1265, dated 7th July 1881.

SEPTEMBER

Twenty-five Years' Order.—Letter from Government of India stating that the Local Government should decide cases where the Medical Officer and a candidate for employment differ as regards the age of the latter, recorded.

16TH APRIL 1884, No. 984 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following letter from Lieutenant-Colonel H. M. VIBART, R.E., Officiating Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Camp, Ramandroog, 5th April 1884, No. 32:—

I have the honor to request that authority may be given for the appointment of Mahaboob-Meeah, who is aged 30 years, as a lock superintendent on the Kurnool canal. It is necessary that lock superintendents should have some knowledge of handicraft work, such as carpentry and masonry; but the Executive Engineer reports that it is sometimes difficult to procure men possessing such qualifications and under 25 years age at the same time.

2. I would solicit a general sanction for the admission of men over 25 years of age to the situation of lock superintendents when necessity arises. Vacancies in these appointments frequently occur on account of dismissals and resignations; and application in each individual case seems unnecessary.

ORDER—dated 16th April 1884, No. 984 W., Public Works.

The appointment of Mahaboob-Meeah as lock superintendent on the Kurnool canal is confirmed. His claim to pension will be regulated by the established rule.

2. The general sanction applied for in paragraph 2 of the Superintending Engineer's letter cannot be granted. The prior sanction of Government to the appointment of men over 25 years need not, however, necessarily be applied for. It will be sufficient if the Superintending Engineer reports such appointments for the confirmation of Government.
