Madras,
15th June 1885.

From Mr. K. F. Nordmann,
Executive Engineer,

To The Secretary to Government,
Pub. Works Department,
Ootacamund.

Sir,

I have the honor to request that you will do me the favour to lay the following circumstances before the Government, for their favorable consideration.

2. I have applied for 12 months furlough on medical certificate, from date of leaving Madras (probably the 19th instant); and the Examiner of P. W. Accounts informs me that, since I have not rendered six months' continuous active service from date of my return

return from last furlough, the furlough on medical certificate, which may be granted to me now, under the provision of sections 52 and 53 of the Civil Leave Code, will have to be classed as "furlough other than ordinary", and that I shall be entitled to furlough pay equal to one-fourth of salary only.

3. As it would be an extreme hardship to me and my family, at home, to have to subsist on one-fourth of my salary, I respectfully beg that the Government will be kindly pleased to take my case into consideration and to grant me such relief as may lie in their power.

4. I landed at Madras on the 28th November 1884, passed a Medical

Board

Board on the 6th December, assumed charge of the North Arcot Division on the 12th December 1884, handed over charge on the 16th April 1885, and proceeded, on transfer, to the Railway Relief Works at Anantapur. There I fell sick and, by the advice of the Civil Surgeon, left Anantapur for the Nilgiris, for medical treatment, on the 27th April 1885; and I appeared before a Medical Board in Madras on the 13th June 1885.—

5. More than six months have thus elapsed since my return from last furlough; and I beg that the Government will permit me to count for service the period (about 6 weeks) from the date I left Anantapur to the date of the last Medical Board (13th June); so as to enable

me

me to draw half-pay, while on Furlough, instead of quarter-pay.

6. If I had remained absent on Furlough, last year, I should be drawing half-pay up to July 1886.

7. I very much regret that I gave up 18 months of my Furlough, last year, (thinking that I was well enough to return to Duty).

8. I have only had 26 months furlough, during the 25 years, since I arrived in India. My Service has been an arduous one; as you are aware; and on the whole, I believe, I have given satisfaction to Government in the discharge of my Duties.

9. Under

9. Under these circumstances, I most earnestly beg that the Government will be kindly pleased to grant me the concession, asked for in para 5 above, to enable me to draw half-pay, while on Furlough, and not quarter-pay.

I have the honor to be

To W. The proposal should apparently have been submitted through E. I., but if a formal reference be now considered unnecessary, the draft order might perhaps be sent to I for counter-initials.
