Sir,

With reference to your endorsement
No 551 T. 7 of 10th Instt on G.O. No 1533 W
of 1st July 1885 I have the honor to inform
you that I have strictly arranged to
carry out the works only to the extent of
the allotments and no further. But I
have at the same time to report that
it will be a pity to stop the two works
noted in the margin in that incomplete
state in which the allotment of the
current year (which have been nearly
worked out) will leave them. Because

Yrs

the wood work of the roofing now put up
as well as other materials collected such
as doors and windows may get deter-
iorated by exposure &c. Further the
rainfall at Cothamapalliem is generally
so heavy that it will seriously damage
the work done if let at this stage

2. I therefore consider necessary
to bring to your notice the desirability of
obtaining additional funds required for
the said works to the extent noted opposite
to each of them

I have &c
(Signed) J. Grimes
Executive Engineer

P. S.

Regarding Nellacottah application
for fresh funds (if required) will be made
in next return due on 15. 9. 85, as far as
can be seen at present about Rs 1000
more will be required

Copy forwarded to the Chief
Engineer ^{P. W. D.} with a request that if possible
the amount Rs 7003 required to complete
the two Works in question may be granted
as it is most important that they should
be finished before the monsoon

In the Statement of Requirements
of Provincial Incomplete Works B page
5, items 46 & 47 printed in G. O. No 1533
Rs 7003 was applied for but not
granted as it is stated no funds
