GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following letter from the Venerable the Archdeacon of Madras, to the Chief Secretary to Government, dated Madras, 30th July 1885, No. 365 :—

I have the honor to forward, for the favorable consideration of Government, a plan and estimate, amounting to Rs. 950, for the enlargement of the cemetery at Coonoor.

2. The present cemetery has been in use about thirty years and, though not full, is steadily filling up; moreover, the whole having been consecrated, no special portion has been set aside for the use of non-conformists.

3. The ground proposed to be taken in is the property of J. G. Clarkson, Esq., of Coonoor, who is prepared to grant it, free of cost, for the purpose required.

4. The proposed enlargement will not only provide a special ground for non-conformist burial, but will be a real improvement to that part of the road upon which the cemetery and this spare portion of ground abut.

5. If the work cannot be carried out immediately, the Government may be pleased to sanction it when funds are available, and so secure the promised gift of land.

No. 1420, Ecclesiastical.

Approved and transferred to the Public Works Department.

NOTE OF REMARKS.

1. The accompanying plan and estimate provide for the enlargement of the cemetery at Coonoor. The estimate amounts to Rs. 950.
2. The work to be effected consists in enclosing the proposed addition to the Coonoor cemetery with a wall, and in diverting a channel which at present runs through that piece of ground so that its new course may lie along "the outside lower enclosure wall". The enclosing wall is to be 3½ feet high with pillars 9 feet apart. The masonry is to be brick-in-mud. The new channel is to be formed of brick-in-mortar on a concrete foundation.

funds to fund for the work?

The reserve balance is very small being Rs 1892. Under the existing financial provision the Estimate may be sanctioned for execution where funds are available - which is the alternative course proposed in the last para of the Archdeacon's letter to the Chief Secretary -
