SIR,

* M.O. No 4025

* No: 1343 of 11th
August 1885.

(To be returned)

With reference to para 2 of O.G. (G.W.D.) No. 1615W dated 13th July 1885, directing that such portion of the repairs to Bombay Castle property as are urgently required should be put in hand at once, I am desired to forward for the information of Government the reply of the Executive Engineer, Nilgiri Division, to enquiries as to when certain urgent repairs to the Army Head Quarter Offices would be put in hand.

2. The condition of some of the buildings on Bombay Castle Hill, notably the office of the Assistant Adjutant General, Royal Artillery was brought to the notice of the Chief Engineer on the 18th June last, and as the Executive Engineer has not found it possible, notwithstanding the publication of the above Order of Government, to do anything towards rendering that building

From
The Executive Engineer
Nilgiri Division

To
The Quarter Master General
Ootacamund.

Sir,
In reply to your N^o 2546 A. of
8th Current, I have the honor to state
that the matter being at present under
reference to Government, I am unable
to carry out any work until the question
is settled.

2. A large estimate amounting
to over Rs 19000 has been prepared for
thoroughly renovating these premises but
owing to certain reasons and principally
because of the restrictive order mentioned
in my N^o 735 of 13th June 1885, it will be
impossible to do any ~~thing~~ work on this
estimate.

112885

3. All I can recommend is that
certain petty repairs (unconnected with
the large estimate & consequently in
addition thereto) be carried out and
as soon as sanction is obtained to
this course the petty repairs will be
commenced.

or $\frac{901}{7362/8}$

Sir

Your obedient servant.
