ENCLOSURE. —

*I have the honor to report
that as soon as the Ramnad Division
Office was organized in April last, the
Executive Engineer, gave up a portion of his
Bungalow for his office as suitable accom-
modation was not available at the time
For this accommodation a rent of Rs 6
being a moiety of that for the whole build-
-ding was paid & charged to the contin-
gencies of the office*

2.

*The office was subsequently
removed*

removed to a portion of the Estate —
Manager's butchery, which I have
inspected and found was unsuited for
the purpose

3 The Examiner P.W.A. has
in his list of Disallowances from the
Contingent Bill of the Division
for May/85 deferred the audit of the
above item pending the sanction of
Government under para 996 of the P.W.
Code - I request that you will be
good enough to authorize that officer
to admit the outlay.

4. Mr. Warrington has since re-
ported that he has secured a suitable
building at a monthly rental of Rs 15
from the 9th July/85, I request that you
will be good enough to sanction the pay-
ment of this rent monthly, and to
debit the same to the contingencies of his office.

I have the honor to be

Sir
Your most obedient servant.
