Resolution—

It has recently been brought to the notice of the Government of India that no rule exists regulating the circumstances under which officers of Government may apply to Native Chiefs for pecuniary contributions towards public objects. As it is for many reasons undesirable that such applications should be made except with the permission of superior authority, the Governor-General in Council is pleased to direct that in future no officer of Government shall ask or accept pecuniary aid or subscriptions from Native Chiefs or officials of Native States in pursuance of public objects, except with the sanction previously obtained of the local Government to which he may be subordinate.
