Director-General of Telegraphs, " " "	

ORDER—dated 6th July 1885, No. 1563 W., Public Works.

In the papers read above, the Superintending Engineers apply for funds, under Imperial Military and Civil Buildings, Roads and Services, on account of—

- (a) anticipated outlay on minor works, in lump sums;
- (b) incomplete works of 1884-85;
- (c) new works recommended to be taken up in the current official year, and
- (d) repairs.

2. Under Imperial Military, the budget grant for minor works amounts to Rs. 20,000; and the Superintending Engineer, V Circle, having surrendered a sum of Rs. 2,203 from the grant for new barracks for Royal Artillery at St. Thomas' Mount, the same will be resumed and added to the grant for minor works, in anticipation of sanction by the Government of India. Against the total of Rs. 22,203 so arrived at, the demands of Superintending Engineers amount to Rs. 47,824, as shown below:—

	RS.
For minor works anticipated, lump sums	2,133
" incomplete minor works	5,175
" " major works	5,755
" new minor works specified	18,873
" " major works	15,888
Total	47,824

3. The minor works grant has been distributed as follows:—

	RS.
For incomplete minor works, <i>vide</i> statement B	4,256
" " major works,	5,637
" new minor works,	9,812
" " major works,	2,498
Total ...	22,203

4. There is thus no balance left in hand, and it is found impossible to provide any lump sums for anticipated outlay on minor works.

5. The allotment under Repairs will be found in statement A. The demands under that head amount to Rs. 1,61,796, but have been reduced to Rs. 1,48,359 in order to bring the allotments within the available grant.

6. Under Imperial Civil Buildings, Roads and Services, the demands against original works amount to—

	RS.
Postal incomplete works	4,217
" new works	3,220
Telegraph incomplete works	4,375

of which Rs. 3,909 under Postal have been allotted for incomplete works. The balance of the minor works grant, after the above allotment, is Rs. 1,991; and it is placed at the disposal of the Director-General of Post Offices as shown in statement A.

7. A sum of Rs. 2,500, being the available minor works grant under Telegraph, has been allotted to complete the improvements to the telegraph office at Cocanada.

8. The allotments under Repairs will be found in statement A. The demands under Telegraphs have been reduced to Rs. 3,000, in order to bring the allotments within the provision in the budget.

9. Ordered that copies of these proceedings be forwarded to the Government of India in the Military and Public Works departments.

(Here enter No. 1564 W., dated 6th July 1885.)
