## GOVERNMENT OF MADRAS.

## PUBLIC WORKS DEPARTMENT.

General.  
Establishment.

READ—the following letter from Lieutenant-Colonel J. PENNYQUICK, R.E., Superintendent of Works, Tank Maintenance Scheme, to the Chief Engineer, Public Works Department, dated Chépák, 21st January 1885, No. 166 T.—  
Through the Chief Engineer for Irrigation :—

I have the honor to submit, for sanction, a proposition statement showing the office and petty establishment required for the Red Hills Tank division.

2. The establishment proposed is that of a second-class division with one sub-division, except that a clerk on Rs. 35 is provided instead of an accountant. This is proposed after consultation with the Examiner, who agrees with me that the accounts should be prepared in the Chingleput divisional office, so as to avoid the opening of a new set of books.

3. The men marked \* have already been appointed in anticipation of sanction, as their services were urgently required.

4. The total cost of the establishment amounts to Rs. 377 per month, and for the remainder of the financial year would amount to about Rs. 800; but it will, I think, be enough if Rs. 600 be provided, as it is not certain that the whole of the clerical establishment entered in the list will be wanted, though I wish to have the power of working up to it, if necessary.

## ENCLOSURE.
