No 1103 Nilgiri Division Office
Camp Gundlupet 21st July 1885.

From
The Executive Engineer,
Nilgiri Division;

To.
The Superintending Engineer
& Field
Coimbatore.

Sir,

I have the honor to acknow-
-ledge receipt of your endorsement
No 334 of 8th June 1885, on the Chief
N.I. Engineer's Memo No 989C of 1st July 1885,
ruling that the Clerks (margin-
J. H. Chappavendin Row - ally named who
J. V. Subramania Pillay were temporarily
promoted to Salaries
of more than Rs 50 per mensem, Can-
-not be allowed to draw them, in-
-asmuch as they have not passed the
Examination in P. W. Procedure and
practice as laid down in para 166 of
the
acting

the P.W. Code.

2. With reference thereto, I would beg a reconsideration of this decision, on the grounds set forth in my previous letters on the subject; and to submit further that the Clerks in question have very materially contributed towards the improvement in the State of the Divisional Office, referred to in G.O. No 953 of 22nd April 1885, and are, I therefore submit, thoroughly deserving of the indulgence solicited on their behalf viz; temporary exemption from the Exemption referred to.

3. I would here remark that the exemption is only temporary, not permanent, and has reference to the periods during which the men acted in a higher grade, pending the arrival of the permanent incumbents from the plains; since which time

J.K. Raghavendra Rao.
1st Augt/84 to 25 Feb/85.
J.V. Subramannia Pillay
4 Oct/84 to 9 Jan/85.

time they have reverted to their permanent salaries viz. 40 & 50 paise.

4. I would further observe that the Government were only recently pleased to grant a similar indulgence to two equally deserving men and it seems hard that Mr. C. Ray of the Saminero Office Madras. Gun Singh Lal and Keshu of the Ruskhuliya Didi Office Ganjam. in the case of the men now recommended.

-ed, the provisions of para 166 of the P.W. Code should be so rigidly enforced.

5. I presume that the Executive Engineer being on the spot is the best judge as to which of his Clerks are deserving of promotion and which not, and would respectfully submit that in the present case the recommendation is made on very substantial grounds indeed.

6. I would add in conclusion that

that the two men, Rajaraja Rao
and Subramania Pillay, intend
appearing for the Code & ammunition
to be held during the current month.

I have the honor to be

Sir

Your most obed^t servant.

There is nothing whatever on the
file to show by what date articles
for the exhibition must be despatched.
Last letter from India, after giving
general instructions, says that "if
further information or instruction is
required the Secretary to the S. of I. in
the Revenue & Agricultural Department
should be addressed".
He might put him the question as to
latest date of despatch etc.

Sir,

With reference to your Memo:

Enclosure 1.

Letter from Ex^g Engr

D^y 21st July 1885.

N^o 989C of 1st June 1885, I have the honor
to forward for your consideration a further
letter from the Executive Engineer Nilgiris
regarding the temporary exemption of certain
clerks of his Office from passing the Exam^{ination}
in Public Works Procedure and
practice during the time they held certain
acting appointments, of which they were
relieved by duly qualified men.

2. The principal points now brought
forward appear to be that the Clerks to his
knowledge did exceptionally good work;
that it is hard that para 166 of the Code
should be applied to the case of temporary
acting

acting appointments, and that Cases have
occurred recently in which Government
have been pleased to grant the indulgence
applied for.
