PENSION.

27TH AUGUST 1885, No. 1065, PENSION.

GOVERNMENT OF MADRAS.
PENSION DEPARTMENT.

READ—again G.O., dated 30th July 1885, No. 950, Pension.

READ—also the following paper:—

Certificate and report from W. T. PIERCY, Esq., Assistant Accountant-General, to the Under Secretary to Government, Pension department, dated Fort St. George, 11th August 1885, No. A.D.J.—248.

Certified that, should Government be pleased to admit the period of service claimed in the affidavit of the applicant on the evidence of contemporary employes, qualifying service in inferior grades will be duly proved for 7 years and 9 months. It will be seen from the accompanying papers that on the 1st January 1880, the applicant was transferred to service in the Local Fund department, Guntur circle, during the reorganization of the Public Works department, and that on the 7th September 1883, he was dismissed from the service owing to his absence without leave.

2. It is provided in G.O., No. 193, dated 16th February 1881, that in a case similar to the present an officer's combined services should be taken into account, and that the pension or gratuity admissible for both services should be debited to "General Revenues" and "Local Funds," according to the rule of proportions. Applying that Government order to the present case it would follow that the applicant lost all claim for gratuity, as he was dismissed from the service. Should Government, under the decision contained in their Order, No. 2170, dated 27th September 1883, Financial, be pleased to hold that dismissal from Local Fund service shall not be held to deprive the applicant of the gratuity to which he would otherwise be entitled, he may then be granted a compensation gratuity, not exceeding Rs. 18, equal to three months' pay, under sections 104 and 121 (a) of the Civil Pension Code, as recommended by the Examiner of Public Works Accounts. Should Government be further pleased to reverse the order of dismissal and to declare that his service in the Local Fund department shall count, the total period of the applicant's pensionable service might be held to have been proved for 11 years 5 months and 7 days, entitling him to a gratuity of Rs. 24, equal to four months' pay. The admissibility of the claim for this amount will depend upon the production of a medical certificate to the effect that he is permanently incapacitated for further service. If the larger amount be sanctioned it will have to be debited to General Revenues and Local Funds, according to the "rule of proportions."

3. The enclosures to G.O., No. 950, dated 30th July 1885, are herewith returned.

4. In accordance with rule 4, under section 134, the attention of Government is respectfully solicited to section 69 of the code.

ORDER—dated 27th August 1885, No. 1065, Pension.

No gratuity can be granted to the applicant in present circumstances. If, however, he should be permitted to re-enter the public service, his former service under Government will count for pension under Financial G.O., 27th September 1883, No. 2170, in the absence of a special order to the contrary.
