Your O.N. No. 468 E. dated 17th.
August 1885.

It is not known in this
Office from what date the Bombay
Castle property was occupied by the
Army Head Quarters Offices, but the
amount will have to be calculated
at Rs. 3,600 per annum or 300 per
mensem. The most convenient plan
will be for Executive Engineer to
credit the amount to Provincial
Revenue and debit "Repairs Military"
in his Accounts.

2. The cost of all repairs
to the Building will of course have
to be met from Provincial funds.

Sir,

Adverting to your

letter n^o 509. m.W. of 28th May 1885,
 in which the Government

of India accept a charge against Imperial military funds, of \$3,600 per annum on account of rent for the buildings occupied by the Madras Army head quarter offices at Putacamund, I am directed to state that those offices entered into occupation of the buildings in April 1883, and that therefore the rent charge due from Imperial to Provincial funds up to the end of the current official year amounts to \$10,800.

2. I am desired to say that this Government find

 for "Imperial" Military it would be "Provincial"
 but with no existing restriction (rent)
 some houses from such occupation
 the change. I have speaking rent in f

 submitted

Apparently an attempt should be made to obtain from India, a grant on account of rent from date of occupation.

If the amount be given it will probably be available for appropriation to works under Provincial.

17. 8. 83

it impossible to divert so large a sum from the restricted military grant at their disposal to meet the charge, and that, after the large surrenders which have recently been made under the orders of the Government of India, funds cannot be made available under Provincial to carry out expensive repairs to the buildings for which the military authorities are urgently pressing.

3. I am therefore directed to request that the Government of India may

of be moved to sanction a
a special assignment of
to \$10,000 to meet the
amount for which Imperial
funds are liable to
Provincial.
