Sir,

I beg to give you an extract from the Madras Times newspaper of 12 June 1885. as follows:- for your perusal-

"P. W. Accounts Branch"

"The Calcutta Government have called for the names of Junior officers in the Madras Public Works Department who are willing to accept appointments in the Accounts Branch in the upper Grades when opportunity offers" and request the favor of your forwarding this my application for an appointment in the Accounts Branch, P.W.D Should an opportunity offer.

I cannot expect, that with so slight an acquaintance (3 months only yesterday) you could give me a strong recommendation attached to this application, so I will ask you to favor me so far as to mention certain facts, which will strengthen it-

I

I have already been Assistant Controller of P.W. Accounts in Lahore in 1871-73. I had been previously promoted from Assistant Engineer 3d Grade after passing the necessary examination to Assistant Engineer 2d Grade, with only 4 years Service - The work was distasteful to me as a young and active man and at my own request I was permitted to revert to the Engineer Department. I can claim the following qualifications - I am now reappointed to the P.W.D. as Asst 1st Grade, and therefore not obliged to pass the examination for 1st Grade Accountant which prevented my rising in the Accounts Branch 14 years ago, in spite of repeated protestations against such an examination being necessary by my Controller Major J. Westmorland R.E. while I was in office as Assistant Controller 2d Grade. Major Westmorland was Controller. Mr D.C. Gordan Dy Controller & J Barnes Deputy Controller Railway Accounts - Being now 1st Grade Assistant, I am exempted from the examination and having passed the D.S which will be found against my name in the Classified list 1878-79.

I am thoroughly qualified for a Deputy Examinership; - So with 18 months experience in the work; 3 years qualifications as a

clerk

clerk in the Chartered Merc. Bank of India London and China from 1861-63. and 18 years Engineering experience in India - I feel that I could be of greater Service to Government in the Accounts Branch, than in a Branch of the Department viz; The Tank Division; a branch in which I feel my inexperience deeply. If you will be so good as to incorporate this information with your forwarding letter, I shall feel grateful

I have the honor to be
