Proceedings of the Board of Revenue, dated 9th October 1884, Mis. No. 9590.

Read—the following letter from J. STURROCK, Esq., Collector of South Canara, to the Secretary to the Board of Revenue, dated Mangalore, 2nd October 1884, No. 2217:—

With reference to Board's Proceedings, dated 12th August 1884, Mis. No. 7602, I have the honor to request that Government may be moved to provide funds for the immediate commencement of the new bungalow for the Head Assistant Collector at Coondapoor.

2. As the present building is to be dismantled, and is really unfit for occupation as a permanent residence, it was vacated by the Head Assistant Collector when he came in to Mangalore at the commencement of the monsoon, and no expenditure has been incurred on it for monsoon repairs. The want of a permanent residence for the Head Assistant Collector at Coondapoor, is at present, of less importance than usual, as that officer is in charge of the forests of the whole district and can make only comparatively short halts at the head-quarters of his division, but this arrangement is only temporary, and it is desirable that the construction of the new building should be carried on as expeditiously as possible.

3. With reference to paragraph 1 of the Government Order, communicated with the Board's Proceedings above quoted, I have the honor to state that, though the rooms in question have been marked as "bath-rooms" in the plan, they can be most conveniently used as a pantry and a store-room for which no other provision is made, and portions of the dressing-rooms can be detached as bath-rooms.

Resolution—dated 9th October 1884, Mis. No. 9590.

Submitted for the favorable consideration of Government.

2. The necessary assignment of funds will be made on receipt of information from the Superintending Engineer as to the exact sum that can be spent on the work before the close of the current official year.
