CIRCULAR.

The High Court directs that, whenever a person against whom a Civil warrant of arrest has been issued appears too ill to be removed from his residence, the process server shall report such person "sick," and such report shall be accepted as a sufficient return. The Court issuing the process shall cause such person, should the execution creditor desire it, to be examined by a competent medical officer, with a view to ascertain whether he is fit to travel. In any such case a peon may be deputed at the cost of the execution creditor to watch the house of the debtor until he is in a condition to be removed and dealt with in accordance with law.
