READ—the following letter from Lieutenant-Colonel J. L. L. MORANT, R.E., Superintendent of Works, in charge of II Circle, to the Chief Engineer, Public Works Department, dated Masulipatam, 19th September 1885, No. 1228 K.S. :—

With reference to Standing Order No. 5 of 1885 of the Public Works Code, I have the honor to forward herewith, for your approval and sanction of Government, an estimate, amounting to Rs. 880, for lime manufacture at Bezvada for the half-year ending 30th September 1885, in lieu of the annual estimate, amounting to Rs. 3,850, sanctioned in G.O., No. 1080 W., of the 8th May last. The original estimate provided for much more than it has been found necessary to manufacture, because, in order to save our firewood, which was running low, we purchased a large quantity from private manufacturers.

2. This sanction has been registered as Provincial No. 131 W. of 1885-86, and classified as "Stock."
