GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers:—

From Lieutenant-Colonel P. MONTGOMERIE, R.E., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaisheram, 15th December 1884, No. 2236.

I have the honor to bring to your notice that Serjeant Hearne, Overseer in the Godavari central division, is desirous of presenting himself for the examination called the Lower Standard Test in the Telugu language (see Appendix B, Section J, of the Public Works Code standing order, No. 238 of 1884), and he has paid a fee of Rs. 15 for the examination.

2. I shall arrange for this examination being conducted as laid down in paragraph 96 of the Public Works Code.

3. The overseer had, before he joined this department, passed the Lower Standard Test in Hindustani.

4. I think that the fees fixed in paragraph 99 (standing order No. 236) of the Public Works Code are intended for the examinations conducted under the orders of the Board of Examiners and not for the examinations conducted by the officers of this department. The Code paragraph 99 does not make any distinction as regards fees between the examinations held by the officers of this department and by the officers of other departments acting under the orders of the Board of Examiners.

5. As I feel doubtful whether the fee should be paid or not for the examination applied for by the overseer, I request your orders on the subject for my guidance.
